Publication Committee

As the earlier Publication Committee was dissolved for academic year 2021-22, a new committee for academic year 2022-23 has been constituted on 17th June, 2022.

The faculty and student representatives constitute the magazine and the newsletter committee. The Committee meets periodically to discuss and select the articles for publication. It encourages freedom of expression and provides a medium for exchange of thoughts and information. The objective of this committee is to provide a platform for students to express themselves through various forms of writing like research articles, comments on current topics, literary/creative writing.
