## **Academic Infrastructure**

**Studio spaces** – Areas:252.95 sq. mts, 247.5 Sq. Mts.[2 no.], 224 Sq. Mts. [2 no.] & 166 Sq. 65.10 Mts. each on various levels from the ground floor to the fourth floor. There is a total of 7 no. of studios, out of which 2 are for B. Arch. and 2 are for M.Arch. for each from 1<sup>st</sup> to 5<sup>th</sup> yr. B.Arch. course on each floor from the Ground to the 4<sup>th</sup> floor. Each one is provided with the required number of Tables with drawing boards of Imperial size & Stools and also having projector with scree, White & Black Boards, Lockers for storage of Drawings, T-squares & Set-squares and books, etc. so that students do not have to carry them home every day. These spaces have one of its longer sides facing the external face of the building from where they are deriving natural light and with the help of ventilators on the opposite sides, have enough cross-ventilation inside each of the studio spaces. All the studios have Wi-Fi and internet cable connectivity with enough plug points to connect their laptops.

### Library:

PiCA library is located on the second floor with a floor area of 202 sq. mt. PiCA Library caters to the students of Architecture, where the library functions not only as a reference guide but a valuable resource in sculpting students' life.

PiCA Library maintains a core collection of more than **7200** valuable books. The diversity of the library collection includes reference books, textbooks, national and international periodicals, bound journals, University papers, project reports, standards and non-print materials such as CDs, maps, etc. The library maintains a separate reference collection consisting of Encyclopaedias, dictionaries, directories handbooks, and atlases. We add more than 200 books to our collection every year for the benefit of our users. Accession registers for various collections are maintained properly.

The environment of the library is very lively and fresh. It also has WiFi, scanning, printing and photocopy facility.

## E-Learning Studio

PiCA faculty can utilize the E-Learning studio, also known as the light board studio, to produce high-quality E-learning content for both students and the general community. Within this studio, instructors face the audience directly while creating content on a light board. Additionally, the facility is equipped with state-of-the-art recording software and hardware to ensure the creation of top-notch online E-learning materials.
