Ms Virginia Fernandes, the Secretary of the committee has informed that at the time of admission there were parents of CAP students asking for payment of half fees wherein we have complied with the same as these students were EBC students eligible for EBC scholarship from DTE. Secondly some parents also enquired whether it is compulsory for their children to go for the study tour. Hence as informed by the study tour in-charge it is compulsory for the students to go for the study tour as there would be educational information which they would be putting it on paper for which marks would be given to them. There were other students who were not able to pay the full fees and hence letters for Education Loan were given to them.

The meeting ended with vote of thanks to the chair.
