Subject: Request for study leave without pay for one year

Respected Sir,

I am writing to request a study leave without pay for one year, starting from 31st April 2023 to 31st March 2024, so that I may attend the course of Barcelona Academy of Art on Intensive Printing Program.

This course of Intensive Printing is a highly specialized training in Fine Art based on the European Master Printing system, and attending such a course has always been my dream. Through my portfolio, I got the acceptance letter from the Academy, and I cannot lose the chance to attend the same. I have enclosed the acceptance letter herewith. Though it is an allied field, it is my belief that by attending this course, I will improve my knowledge and understanding in art, architecture, history and design through exposure during my training in the Barcelona Academy of Art, which will make me a better teacher.

Therefore, I request you to give me an approval for the leave. I assure you that all my duties assigned will be performed prior to my departure. I would also be available for any assistance if required, while I am not here.

Please consider my request. I look forward to your positive response. Kindly let me know if any more information is required.

Thanking you,

Sincerely,

Harshad Kulkarni
