Speaker Invited: Mr. Parag Javadekar He is the founder of Align Yoga.		

Workshop/Event Details

Venue: Pillai college

Attended by student: All batches

Brief Description :

The main aim of the event is to make students aware about the benefits of yoga. The motive of align yoga is to inculcate a complete body and mind exercise in our day to day schedule so as to attain peace and comfort in our own skin and body.

Mr. Parag Javadekar, the founder of "ALIGN YOGA" developed his interest right from his graduation days in Pune. He started his yoga journey by taking a post graduate diploma in Therapeutic Restorative Yoga from Dr. Karandikar in Kabir Baug Math Sanstha.

With this brief introduction to the students about himself, Mr. Parag Javadekar began the event by explaining the benefits of yoga to our body. He elaborated on the various aspects of practicing yoga.

To understand their newly gained knowledge better, the students were asked to practice yoga with his guidance. This was an hour long event. He explained the various stages of yoga and the importance of breathing pattern. With the help of visual interaction and learning students performed the different yogasanas following his guidelines.

By the end of the event, students were able to perform yoga on their own.

'Discovering the Gandhi within'

Doodle event :

This is an yearly event celebrated every year on 2nd of October. This year too the day was a huge success.

The aim of the session was to let students express their idea of Gandhi. The ideas Gandhi promoted, self reliance, cleanliness and Ahimsa ; have been talked about very often.

However the most important aspects of Gandhian philosophy are missing from our daily lives and thought processes in general. This doodle event is an effort to bring in to focus those ideas and concepts and understand their relevance in today's time.

Value Added Courses

for B.Arch. Programme

Academic Year: 2019-20

Offered in collaboration with
'SENATE' Student Council of Pillai College of Architecture

Course Title	Hands on Wheels with Clay
Resource Faculty	Shri Satish Joshi
PICA Faculty Co-ordinator	Ar Sarojini Lohot
Duration- Dates and Total Hours	20/01/2020 to 22/01/2020, Total 30 Hours
No. of Students attended	257
Biography of the Resource Faculty	He is an artisan from Korakendra (an Institution of Khadi and Village Industry Commission, Gov. India). He has learnt hand made pottery from Pondicherry. He runs a pottery studio near Panvel. He conducts workshops in various schools and colleges. He is teaching clay and pottery in Oberoi International School, Ecole Mondiale World school, Mount literary School and Shishuvan School. He runs an NGO called 'Gramini' for village youth women and school children.
Course Description	Playing with clay is like going back to our childhood and having the fun of handling the clay with knowledge of its properties and techniques. Workshop will allow students to experience the clay in hands and on wheels. Workshop will help them to understand the verities of clay available in the surrounding and realizing the importance of the natural resources. Students will be informed about the process of making and storing the clay. Workshop will allow students to learn different techniques of handling the clay by making various shapes.
Course Objectives	To understand the clay as modelling material and its properties in terms of aesthetics in art and design.
Course Outcome	Models of clay understanding its proportions, limitations and detailing using hands as well as wheel

Venue: Online

Attended by students: II year, III year, IV year, V year

Brief Description:

In the wake of the cynical pandemic, finding optimism has been a concern for everyone. With regard to the ultramodern adaptations made in the society, VOX Magazine centralized 'Re-imagining Architecture' where our main aim was to call for entries which enabled PICANs to express their notions about their favorite book with the help of a graphical illustration and a summary of the book.

Their illustrations had to revolve around the 'new norms' and its emergence and aftermath of the same. What we call today as the new normal has various aspects. The fellow students got an opportunity to put light on the unseen sides of it as well as bring in their creativity. Right from book lovers to illustrators, the event gave a sound space for artists that had a different perspective towards the new normal. Whether it was about the digital dependence and its impact in all domains, cultural influences, irregularly schedules or even the imbalanced lifestyle.

We received 18 entries for the same. The submissions were in graphical as well as verbal format, and even in video format, by reciting their favorite part. The students highlighted all the sides and how difficult it would be to go back to our actual lifestyle. All in all, the idea gave our readers a broad analysis of how one can perceive things in an optimistic outlook and get the intricate efforts even in chaotic times.

Event details :

MES Pillai College of Architecture, New Panvel (PiCA) in association with the Soroptimist Welfare Association (SIBC) announced 'NIRMAL' – an inter-college design competition to observe the World Toilet Day, an official United Nations international observance day on 19 November every year to inspire action to tackle the global sanitation crisis. This action is linked to the UN Sustainable Development Goal of "water and sanitation for all by 2030".

<https://www.un.org/en/observances/toilet-day>.

The design competition was open for students of architecture currently studying in Pillai College of Architecture, new Panvel and Pillai HOC college of Architecture, Rasayani. It aimed at raising awareness about access to sanitation and to explore the role of architectural design in improving the quality of such facilities.

The event was graced by the appearance of chief guest Ms. Yvette Lee , President of Soroptimist Welfare Association (SIBC), Principal of Pillai College of Architecture Dr. Sudnya Mahimkar, Principal of Pillai HOC College of Architecture, Rasayani, members of SIBC, faculties and students of PiCA and PHOC institutes.

NIRMAL 2020 Competition Brief

The theme for this year was about exploring the **architecture of public toilets in the Post COVID world**. The competition aimed at raising awareness about access to sanitation and to explore the role of architectural design in improving the quality of public sanitation facilities.

The participants were expected to address the following concerns in their design proposals:

1. The role of space planning of public facilities in achieving good standards of hygiene.
2. The role of architectural design in changing the prevailing perceptions of public toilets.
3. Imaginative site selection and appropriate design response to the chosen context and users.
4. Innovation in public toilet architecture for a better imageability in a public space.

The participants were supposed to select a real world context of public places from anywhere in Navi Mumbai and Panvel Municipal boundaries and locate their design of public toilet facility.

Schedule for NIRMAL 2020

01 November: Announcement of competition brief and opening of online registration

08 November: Last date for registration

19 November: Screening of the award-winning film Q2P by the acclaimed documentary filmmaker Paromita Vohra. (Online mode)

22 November: Last date of submission of competition entries by the registered participants.

30 November: Announcement of the result, jury comments and display of winning entries.

We received 33 registrations for the competition. Team one handled the process of registration. Participants registered for the competition by filling up the online form. They were provided with unique team numbers. The final submissions were accepted as anonymous entries. 15 shortlisted entries were forwarded to Team 2 which was led by Prof. Smita Dalvi. It was then sent to the jurors Jury members Dr. Uma Sankar Sekar and Dr. Mustansir Dalvi to select the winners.

The design by the winning entry

The jury appreciated this entry as the best in the competition because of the juxtaposition of the toilets with the intermediary covered spaces that can be used for a variety of purposes determined by the users themselves. These spaces also allow for spread, bringing social distancing. Although the form is inspired by the forts in the vicinity, the metaphor is not overburdened. There is a certain flexibility that allows the design to be seen as a prototype as well.

Design of First Runner Up team

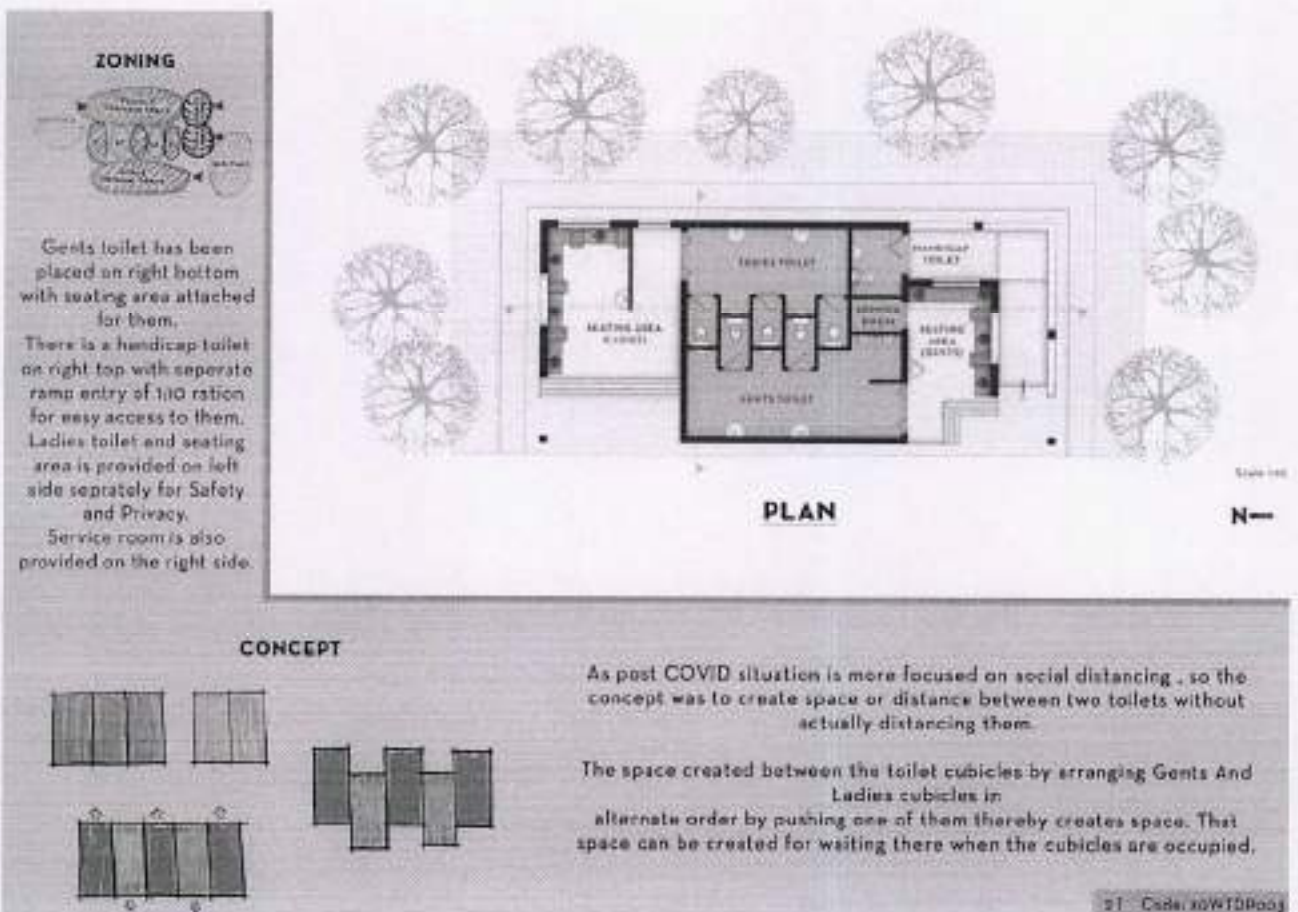

The jury appreciated the differentiated designs for the gents and ladies toilets, the prominent location of the handicap toilet as well as the spread out nature of the plan. We were not quite taken by the positioning of urinals in the ladies and the efficacy of the magic cone in a public toilet. While the whole site is too spread out, we think that a design such as this would work in a public park rather than in the middle of a city.

Second Runner Up: 20WTDP003

1. Sanskar Chavan
2. Sagar Dhole
3. Harsh Panchal

Design by Second Runner Up team

The jury liked the idea of the clearly separated waiting areas for ladies and gents. These were well segregated and so allow social spaces to form. The compact form allows the design to be a prototype on other urban sites. The alternating WCs have plumbing complications but solutions are possible. Also the design seems easy to maintain and is well ventilated.

Prizes:

1st Prize : Rs 3000/- and Digital Certificate

2nd Prize/ 1st Runner-up : Rs. 2000/- and Digital Certificate

Workshop/Event Details

Venue: Pillai college

Attended by: Students and Faculties

Brief Description:

The main aim of the event was to make students aware about the benefits of yoga. The motive of yoga is to inculcate a complete body and mind exercise in our day to day schedule so as to attain peace and comfort in our own skin and body. Pillai College of Architecture in association with Heartfulness Education Trust celebrates "Yoga for Compassion" by organising live Yoga and heartfulness meditation training workshops. Three day online short-term training programs were held for the students and faculty members. To understand the newly gained knowledge better, the students were asked to practice yoga with their guidance. And also the students had to find one suitable, easy or complex Yoga pose that they were comfortable with and perform the posture. They were asked to click a picture or shoot a video and send it, as every pose challenges your physical endurance and flexibility. There was a very good participation of students and faculties which contributed to the success of event.

The 1 mask donation will make a lot more difference.
It is just about protecting you and the ones around you.

- Donation of masks and creation of awareness can bring in a change to the whole world getting free from covid or any other disease.
- Basic things can just start by donating to our own house helper for inturn keeping us also safe.
- The needy/poor are the ones who are suffering and not getting anything to protect themselves.
- Donation can start right from your door step.. your house keeper, your building's watchman or the garbage picker.. anything and everything can be done if one would think and start.
- All you have to do is just donate a mask, click a picture and share with us.

How is the day celebrated?

The day was celebrated with spreading awareness to people by encouraging them to donate masks to people who really are in need. That is the people on

PRINCIPAL
PILLAI COLLEGE OF ARCHITECTURE
Dr. K. M. Vasudevan Pillai Campus,
10, Sector-16, New Panvel-410 206

the road, the poor or the servants.

The awareness was spread to people from the college first where they were asked to donate masks to the basic start from the servants and the house help. The start can be from anywhere, the only thing important is to start.

If the house helps or the servant doesn't wear a mask or isn't safe, she may get infected and in return it can harm our family.

There were many inspiring quotes told and the trial was made for people to get inspired and get the ones around them. Some of the quotes were

"Giving is not just about making a donation. It is just about protecting you and the ones around you".

Basic things can just start by donating to our own house help for in return keeping us also safe.

The needy/poor are the ones who are suffering and not getting anything to protect themselves.

"1 is equal to many Just a start will help make a better India".

Just a start will help make a virus free India and then a virus free world.

Highlights

Activities conducted this year were both for fun as well as entertainment and Skill building.

1. Inspiring people, spreading awareness
2. Donation of masks

Takeaways

Donation is always a two process. Here the process is where u donate masks and make first yourself healthy and safe the next is your house help and then your community and then your country and the world.

At the end donation is always a "your" thing where things come back to you.

Thank you to,

All participants.

① I talked to one of my workmen, who work under my father. He is working since two years and is very sincere in his work and also obey's father's order. I remember once I went to visit site after many days and took my sport bike along with and he said "Aa gaya bada baap ka beta". I was like what the hell is wrong with you. "Mera baap". I got angry and said "Ha main apne baap ka khata hoon" tera kya jata hai. The tone i used was so bad and also abused him at that time. But later on when I came back to home, I realized that I overreacted and thought that there might be something he said like that. The next day I was like, I will ^{say} sorry but felt nervous and one day I gave him treat in the hotel. He was like "Maf kar dena bhai", "Mai jyda bol diya tha".

I had conversation with one of my friend. I asked him what do you feel or think about me. He was like about you (In funny way). Then he started saying like, yeah! You can be good friend of anyone. You are caring person and think of others. You are responsible and take responsibilities. He also said that you are good listener and so can be friendly to anyone in life. Gets easily emotional but the reason behind this, he told is one who cares most get easily emotional.

→ The person who doesn't like me, mentioned that I have a habit of speaking too much, I can elaborate even ^{the} simplest of thing in a to a 5 minute explanation. What's wrong with this is, that often when I speak the other gets unheard. While he was saying all this it struck my conscious mind that I'm really listening right now and not speaking. Later on I realised how difficult it is for me to not speak and how much people listen to me even after being unheard.

→ On the contrary my friend told me that it's because I speak so much that one knows that I'm speaking the truth. He made some relation with lying and short speech that suggested that people who lie cannot get into details, it's impossible to do it because one would have to cover it up everytime. But people like me who are blabbering all the time have organic content, and therefore can't lie.

Inclusive Social Awareness:

Many institutions work towards improvement of the relatively unprivileged sections of the society. However, there is always a subtle line of separation between "them" and "us". International Chef day aims at bridging this gap by cooking food for them and feeding them with whatever available in the kitchen during this lockdown.

Shopping for raw material

How is the day celebrated?

Since this was an online event due to the covid situation the students and the faculty of the college cooked the food with whatever available items they had and distributed to the nearest needy people around (watchman, maid or anyone around)

Highlights :

Activities conducted this year were both for fun as well as entertainment and skill building.

1. Cooking food
2. Sharing it with the nearby needy.

Preparations by Students

Sharing and caring -

The idea of getting together, having fun and doing charity is the most important here.

Due to the covid situation all the processes have got late and everything is online, the main constraints of mingling with people and helping them was not possible. Still the team came up with an idea to reciprocate the same feeling of charity with taking in all the precautionary guidelines into measure and came with an idea of cooking food and donating it.

Guest Lecture on "Research in Design Dissertation"

Subject : DD		Session : 2021-22	Year : 1st
Date : 21st June 2021	No. of Participants- 147	Semester : 7th and 9th	

Faculty	Subject coordinator : Tejashree Lakras
	Guest lecturer: Architect Rohan Shivkumar

The brief on webinar

The 2 hours long session began with the introduction to speaker by Prof. Tejashree Lakras. The presentation was given by Architect Rohan Shivkumar on '**Positions/Propositions- 10 Thesis Stories**' which helped students and faculty understand the importance of research oriented approach for Design Dissertation. The session emphasized through the 10 different student journeys of their theses, on the necessity of identifying the architect's role and contribution to the healthy growth of the city and society and how significant it is to identify the realistic yet student's interest oriented research area/ topic. The presentation kept on insisting upon the fact that every research topic demands specific methodology and should have its own independent outcome and should be kept away from any conventional method of architectural design approach. With an interesting and very informative set of stories, the session opened up to the interactive discussion with students. The speaker received appreciation from faculty and students for his insightful presentation. The students shared their experiences, challenges that they are facing in the thesis journey and received very thoughtful feedback from the speaker. It also made them realise that documentation of every single thought and reflection of the same in organized manner is very important for research writing part in Design dissertation.

Vachan Prerna Din Celebration (Reading Inspiration Day)

On the occasion of the birth anniversary of Dr. APJ Abdul Kalam Azad, October 15th has been declared as the vachan prerna diwas or the reading inspiration day by the government. Our college has celebrated birth anniversary of Late Honorable President Dr. A P J Kalam as Vachan rerana Din.

Our Principal gave an inspirational talk about how reading helps the students to build their vocabulary, communication skills and thinking process which will help them to achieve success in academic, personality development and progress in all angles, to the students presented for the event.

To encourage the reading habits among the students of our college, our Faculty Members and students decided to read aloud paras from the books of their interests to inspire the rest. Further, we launched a competition "Read and Write" (Vaacha ani liha) for the students to begin with. Students were enthusiastic to do so.

Guest Lecture on Research writing skills by Ar. Darpan Athale

Subject : Design Dissertation		Session : 2021-22	Year : 5th
Date : 3rd september 2021	No of participants: Day 1- 70 Day 2- 45	Semester : 9th	

Faculty	Subject coordinator : Tejashree Lakras
	Guest lecturer: Architect Darpana Athale

The Brief On Workshop

The "Archilogs" 2021-22, guest lecture series by PICA Panvel conducted a research writing workshop on 3rd and 4th september 2021 by renowned Architect Darpana Athale for semester 9 students. It aimed at developing creative and formal writing skills that the students can incorporate into their DD book by the end of this semester. The session began with the introduction of the guest speaker by Prof. Tejashree Lakras.

The architect commenced the workshop with a very engaging and interesting presentation conveying the significance of research writing skills in architecture academics and the professional field. The beginning part of the presentation threw light on how to conduct the research, collect data, organize data, analyse and reflect the same in an individual's comfortable form of expression. It further made students understand the importance of organization of data and its role in the formal research writing process. It briefly introduced the types of research writing like research paper, report writing, book writing, article writing, etc. and also shared the draft structure of each form of writing. The session conductor also shared certain tips on writing research. The first day concluded with the introduction of the assignment which students were required to submit before the next day's session. The assignment was about reading, thinking over and reflecting the information of any one chosen architect in the form of an article. The shortlisted assignments were presented by students and were discussed by the guest and the faculty and students. The guest speaker shared how different forms of analysis, expressions, perceptions and understanding can be formulated in the form of different types of writings,

she also suggested the ways in which authentic sources should be given credits and how citations within the text should be included. The workshop concluded with the general comments on research writing skills of architecture students and certain tips to improvise the same. The workshop definitely proved quite informative and helpful for the students.

WORLD TOILET DAY 2021

Online Guest Lecture	Session: 2021-2022	Year- II, III, IV, V, Faculties & outhouse students
----------------------	--------------------	---

Date: 19th November 2021	By Arch. Pratima Joshi
--------------------------	------------------------

On account of WORLD TOILET DAY 2021, Senate, PICA Student Council and Soroptimist Welfare Association(SIBC) organised the Guest lecture titled "A Comprehensive Approach to Community & Public Sanitation by Arch. Pratima Joshi"

Who is Ar. Pratima Joshi?

Arch. Pratima Joshi is an Ashoka fellow, recipient of Aga Khan scholarship and an expert in 'Building Design for Developing Countries', through her Masters-in-Architecture from London based Bartlett School of Architecture and Planning, and the only Indian to receive 'Google Earth Hero Award'. She has impacted over 3,70,000 people of Maharashtra through community and individual household toilet facilitation and slum housing using a data driven, community centric and multi-stakeholder governance model.

The online guest lecture was conducted on November 19th, 2021 on zoom meeting platform at 4:00 pm. Students & Faculties from Pillai College of Architecture and other colleges attended the guest lecture. The lecture was an effort for students to acknowledge the importance of sanitation and how architecture plays an important role in providing an integrated space for the same. Students were introduced to the competition of Nirmal 2021 'A

sustainable sanitation for informal settlements'. Ar. Pratima Joshi shared her experience and influence of working for the society, providing a better space to maintain health and hygiene along with security. From one home, one toilet notion to public toilets the team has made remarkable efforts to bring the society one step closer to a better and healthy lifestyle.

How is the day celebrated?

So, it was an open competition for faculties as well as students. The competition was conducted house wise. Per entry was dedicated with 5 points on the extra covering, we add details to win brownie points

Where in the first winner gets 25 points, second gets 20 points and third get 15 points

The event began with a welcome of the students and faculties on an Online Platform-Zoom. In addition, the hosts, Mudra Dhuri displayed the different creative entries by the students with the support of their video recording. The submissions received by students were fascinating and innovative. Then, there was a showcase of 13 shortlisted entries by the panels and from the 13 entries, 3 entries were selected as winners with the help of vote poll on Instagram.

The session concluded with a vote of thanks.

We received in total 85 entries. Here are few shortlisted entries from each house and the points earned by each house at the end also the winning house.

Main motive behind this was to get the students hands on making an ecofriendly Ganesh idol with sustainable materials.

The event began at 12:30 pm with Prof. Jayesh Patil guiding the students both in offline and online mode with the steps of making an idol starting right from making the clay to decorating the idol. Students participated enthusiastically and made beautiful little Ganesh idols which were ecofriendly.

Health and Wellness for Stress Management	
Date: 20 th December, 2022	Venue: 6th Floor Mini Auditorium

Today, most of us are unable to manage time and this disrupts their work life balance. The continuous pressure to meet deadlines, engaging busy schedules and the self-struggle for improvement in desired fields have left many people stressed. Stress leads to unhealthy eating habits like not maintaining timings of meals, having junk food or excessive food (stress eating), skipping meals, addictions, lack of improper sleep, etc. The overall result is deteriorated health which then impacts your every aspect of life. Right management of stress thus becomes the most important factor in managing healthy lifestyle. As architecture is a very demanding course and students often find it difficult to manage time for their submissions and other allied activities, proper guidance to students at this age would be fruitful in their current and future lives. In support to this idea, MES Pillai College of Architecture's Women Development Cell, Anubhuti and PICA Senate had organized a guest lecture on 'Health and Wellness for Stress Management' on 20th December, 2022 in the 6th Floor Mini Auditorium. The first session was taken by the guest speaker Mrs. Bharti Iyer who is a Yoga Instructor, a digital Yoga coach, Corporate Yoga Trainer and an author. She highlighted the 3D's that is Dedication, Discipline and Determination when it comes to managing your health. The head-shoulder-knee-toes game was played by students in this session. She elaborated on the mantra of doing everything in moderation and also explained everyone about neuro yoga. She also taught a small breathing exercise to students and also took laughter yoga which changed the entire vibe of the session. The second session was taken by the guest speaker Ms. Gurpreet Kaur Khalsa who is a soft skills trainer, TEFL Coach, poet and Self-confidence coach. Her main focus was to enable students to manage their time, for which she introduced the 8-8-8-hour calculation schedule of the day. Her session also talked about ways of mental healing which included options like spending time with nature, practicing hobbies, having a pet etc. Her lecture concluded by doing a small meditation session with students. The students actively participated in both the sessions and thoroughly enjoyed both of them. The key mantras and exercises taught in this guest lecture will definitely help the students and faculties who attended these sessions to manage their stress and also help them incorporate healthy habits in their lives.

Pillai College of Architecture, New panvel. With all joy celebrated Marathi Bhasha divas on 27th February, 2023. The event commenced in the 7th floor auditorium from 3:00pm onwards and invited all the faculties and students, from first to fifth year participating in the event. Everyone was dressed in vibrant, traditional Maharashtrian outfits and the event was organized in Marathi.

The event was started with Dipprajwalam by Dr. Sudnya Mahimkar, Prof. Shibhangi Bhide, Prof. Sarojini Prof. Sasmit Acharekar, moving forward with the programme. Dance Performances , Ramp walk etc.

Many performances took place, all of which won the audiences' hearts. There were dance performances along with music to honor the artists of Marathi literature. They also witnessed a character representation where students dressed as one or the other great personality who had contributed to the society to recollect their efforts. There were also acts from the famous Natrang play and a beautiful performance by none other than one of the faculty members, Ms. Moushumi Mam. The day filled the students with a new found respect and affection towards Marathi language and smiling faces.

SENATE EVENT	SESSION:2022-23	YEARS- II
Date: 21st October 2022	Time: 11:30 am - 12:30pm	VENUE - First-floor studio

Faculty in-charge:	Prof. Aditya Gujarkar and Prof. Ashwini Bhosale
Student in-charge:	Jill Mehta

On 21st October 2022, Pillai College of Architecture celebrated National Innovation day and Vachan Prerna Divas in the 1st-floor studio of the PiCA campus at 11:30 am. The event was graced by the presence of the faculty of PiCA, our esteemed Principal ma'am, and the students of the 2nd-year batch. The event commenced on an auspicious note with the Saraswati Vandana. One best book is equal to a hundred good friends and one good friend is equal to equal to a library. This is a famous quote by our former President Dr. APJ Abdul Kalam and to commemorate him on his birth anniversary on 15th October we had professor Aditya sir who shared his views about the Missile man of India. To encapsulate the essence of Vachan Prerna divas we had the faculty and students of PiCA share their views and experiences on a book they have read and encourage others to read as well. Our senior faculty Prof. Bhide ma'am shared her views on two books Ujwaal Udyasathi by Baba Aamthe and Hasat Jagav by Dr. Rama Marathe, enlightening the youth on the way of living a good, happy, and productive life. Followed by a student of PiCA, Ms. Janhavi Iyer, shared her views on a fictional book Asura: Tale of the vanquished by Anand Neelkanthan that talks about Ramayana from Ravana's perspective and his portrayal in shades of grey. To keep the light of innovation sparkling in young minds, Prof. Sarojini ma'am shared the details of competitions and the innovations young minds have created to get a step closer to efficiency.

Last but not least our principal of PiCA, Dr. Sudnya Mahimkar ma'am, who has been

How was the event celebrated-

Pillai College of Architecture every year celebrates yoga day on 21st June. This year also the yoga day was celebrated on 21st June 2022 from 10.30 am to 12.00 pm in the stilt area of the college premises. This year the college invited a chief guest Mr. PARAG JAVADEKAR founder of Align Yoga. The program started with an introduction to the chief guest by the council members followed by an informative speech by the chief guest on the importance of yoga in daily life. The event then proceeded with the chief guest teaching yoga which included breathing exercises and asanas like Chakraasan, vrikshaasana, tadasana, and many more asanas. The event ended with Shavasana wherein all the students and faculty members had a relaxing time.

Attendance -

The event was attended by almost 100 students from all the years and faculty members along with the Principal and office staff.

On account of World Toilet Day 2022, Senate, PiCA Student Council, and Sorooptimist Welfare Association (SIBC) organized a Guest lecture by Ar. Mayuri Sisodia and Ar. Kalpit Ashar founders of MAD(E) IN MUMBAI 'The Toilet Manifesto'. MAD(E) IN MUMBAI is a design practice involved with the Discipline of Architecture and urban design. Their project 'The Toilet Manifesto' envisions the development of Public sewage systems in our towns and cities. It looks at ways to make utilitarian engineering systems into Comprehensive public spaces that are integrated with people's daily lives.

Ar. Mayuri Sisodia is an architect and an Urban Designer based in Mumbai. She graduated in 2006 from Kamla Raheja Vidyavidyalaya Institute for Architecture and Environmental Studies, Mumbai. She completed her master's education in Urban Design from Bartlett School of Architecture, University College London. She was involved with Charles Correa Architects for many national and international projects. Her undergraduate dissertation was presented to Maharashtra Police as a real alternative for Urban Police Stations. She has also exhibited her work at the Cities Methodologies exhibition for Urban Laboratory, Slade School of Art, London. She won the prestigious Charles Wallace India Trust award for arts in 2010. She was also the winner of the J.N.Tata Endowment and Kamla Raheja Foundation awards. She was also the faculty of Kamla Raheja.

Ar. Kalpit Ashar is also an architect and an Urbanist based in Mumbai. He graduated in 2005 from Kamla Raheja Institute for Architecture and Environmental Studies, Mumbai. He completed his master's education in Digital tectonics, self-sufficient habitats, and emergent territories from the Institute of Advanced Architecture of Catalonia (IAAC), Spain in 2009. His undergraduate dissertation was nominated for President's Medals Awards 2007, RIBA London. He has won J. N. Tata Endowment, Kamla Raheja Foundation, and Rotary Club awards. He was also a winner of the IAAC study grant. He was involved as a project architect with Charles Correa Associates and worked on various National & International projects. Through urban research and teaching at Kamla Raheja Institute, he has continued his association with academic space. Currently, he is involved in architectural practice with Architectural, Urban, and Landscape design projects in Mumbai and as a design faculty at Kamla Raheja Institute for Architecture. The online guest lecture was conducted on 26th November 2022 on the zoom meeting platform at 11:00 a.m. Students & Faculties from Pillai College of Architecture and other colleges attended the guest lecture. The lecture was an effort for students to acknowledge the importance of sanitation and how architecture plays an important role in providing an integrated space for the same. Students were introduced to the competition of Nirmal 2022 'Roadside Toilet Facilities'.

Ganesh Chaturthi Event		
SENATE Event	Session: 2022-23	YEAR - - II, III, IV, V
Date: 22 nd August 2022	Time: 2:00 – 5:30	Semester: III,V,VII,IX
SENATE in charge:	Prof. Ashwini Bhosale	
SENATE coordinators:	Vaishnavi Gharat, Janhavi Iyer	

To celebrate the festival of Ganesh Chaturthi, the student council of Pillai College of Architecture had organised a clay workshop where the participants were given the opportunity to make clay murtis of Ganpati. The event began at around 2:00 p.m and was held in the ground floor studio. The entire workshop was conducted under the guidance of Prof. Jayesh Patil and Prof. Kedar Shinde. The session hence also began with a brief demonstration on the basic steps and techniques by Prof. Jayesh Patil for making the murti. Several students from all the batches ranging from 2nd to 5th years had participated in the event. Various other faculty members along with the principal, Dr. Sudnya Mahimkar had also participated in this fun-filled workshop. The workshop finally ended at 5:30 p.m with the display of the models made by all of the participants.

The event was attended by almost 45 students from all the years along with different faculty members along with the Principal.

World Photography Day Competition

EVENT	Session: 2022-23	Year: I,II,III,IV,V and open for other Architecture colleges
Date: 19th August 2022	Results: 29th August 2022	Forum used: Instagram and Google forms

Faculty in charge:	Prof. Tushara Kaliyath
Coordinators:	Ayesha Hasan, Yogita Keni, Geeta Choudhary, Saloni Naik, Abhishek Pisat, Purva Lade

On the occasion of World Photography Day, which was observed on August 19, the PICA social media team launched an inter-architecture college photography competition. "Life through a Monochromatic Eye" served as the topic. Through this competition, we appreciate the amazing talent and passion people share for photography.

To solemnize this day, Pillai College of Architecture held a photography competition by engaging Architecture students from all colleges of Navi Mumbai and Mumbai. It took place on the 19th of August 2022 through the virtue of Instagram and google forms. The supervision was done by Prof. Tushara Kaliyath. The top 10 entries were shortlisted by our Judges, Mr. Mangesh Mhasavade and Mr. Aslam Saiyad. About 165 entries were received under Students Category and 50 entries received under Professional Category. Out of which our judges shortlisted 10 per category of which 3 winners were selected by voting done on an Instagram story poll for the student's category and a judge-based selection for the professional category.

After carefully examining each display, the winners were announced, bringing the event to a proper conclusion. Deepak Nisad and Ankita Chavan, both from PICA, were the first and second runners-up in the photography competition, respectively. Divya Patil, a member of BVCOA, took first place. Samiksha Koyande, a contributor from BVCOA, received special recognition for her work. Similarly, Swaraj Patil took first place in the professional category. Somesh Kiran Mhatre and Imran Mohammed Dastagir placed first and second, respectively. The winners were congratulated by uploading their winning submissions on PICA's Instagram page.

Independence Day Competition		
SENATE EVENT	Session: 2022-23	Year: II, III, IV, V
Date: 12th August 2022	Time: 9am-12pm	Venue: 1st floor studio

Faculty in-charge:	Prof. Aditya Gujarkar, Prof. Ashwini Bhosale and Prof. Tushara Kaliyath
SENATE coordinators:	Jill Mehta, Janhavi Iyer

India celebrates its Independence Day on the 15th of August every year. However, this year, the auspicious day is being celebrated as 'Azadi Ka Amrit Mahotsav 2022'. Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate 75 years of progressive Independent India. Through Azadi Ka Amrit Mahotsav, India is celebrating the glorious history of its people, culture and achievements.

To grace this occasion, the Ministry of Education's Innovation Cell added one celebration activity in the IIC portal. All institutes were urged to conduct the same by holding competitions ranging from poster-making, drawings, paintings, slogan writing to essays and submit the responses.

Commemorating this prestigious day of India, Pillai College of Architecture had held a competition by engaging the entire vertical of PiCANS. It took place on the 12th of August 2022 in the 1st floor studio. The supervision was done by Prof. Kedar Shinde and Prof. Jayesh Patil. Creative works of students were exhibited on the panels for judgement after 3hrs.

The event was given a proper closure with the declaration of all the winners after a careful consideration of all the exhibits. Students namely; Siddhi Jadhav and Purva Shirke were the 2nd and 3rd runner-ups respectively for the poster making competition. The 1st position was secured by Saish Karangutkar from the 2nd year of B.Arch. Similarly, the winner of the Essay writing competition was Reia Babu and that of Slogan writing was Hrishikesh Shah.

Testing Camp – Random Blood Sugar, Hemoglobin & Bone Density	
Date: 21 st September, 2022	Venue: Ground Floor Architecture Studio

The Ministry of Health and Family Welfare (MoHFW), Government of India had launched the Anemia Mukta Bharat Programme in 2018 with the target to reduce anemia in the vulnerable age groups such as women, children and adolescents. The current lifestyle is accompanied by irregular and unhealthy eating habits which has lowered the overall immunity levels of all people and made them more susceptible to diseases. Considering the fact that women been the drivers of the family, it becomes utmost necessary that she stays healthy and is fit to carry out her responsibilities. In support to this idea and a parallel helping hand to the Government initiative, MES Pillai College of Architecture in collaboration with Bharat Vikas Parishad and SIBC along with Women Development Cell, Anubhuti and PiCA Senate conducted a testing camp for measuring the random blood sugar, hemoglobin and bone density of female architecture students and staff (females were preferred) of all departments in the campus. The testing camp was conducted on 21/09/2022 from 10:00 am to 4:00 pm and an overwhelming response of 206 participants was received for the camp. The participants consisted of 71 students, 30 teaching staff, 39 non-teaching staff and 66 house keeping staff. Doctor Kirti Samudra (M.D. Physician and Diabetologist) along with her lab technicians was available for the entire time during the testing camp. She prescribed medicines to all females depending upon the deficiencies which their test result showed. Three extreme cases (one from teaching staff and two from house-keeping staff) wherein the hemoglobin values were at the lowest end (around 6) were observed . They were made aware of the negative consequences of it and were given tablets for a month which would help them improve their hemoglobin levels. Nine severe cases (five from non-teaching staff and four from house-keeping staff) were observed wherein their random blood sugar levels were above 250. These cases were counseled by the doctor and diet guidance was provided to them. Bone density of most female staff (above 35 years) indicated Osteopenia and they were advised to increase their calcium intake and modify their food habits. Overall, the camp was a successful initiative in creating awareness among females regarding their health parameters. In order to continue this good initiative, PiCA has signed a MoU with Bharat Vikas Parishad, Panvel for a period of 3 years. The main objective is to improve women's health by creating awareness and encouraging them to follow a healthy lifestyle.

Tour Photography Competition		
EVENT	Session: 2022-23	Year: I,II,III,IV
Date: 15th April 2023	Results: 3rd May 2023	Forum used: Instagram and Google forms
Faculty in charge:	Prof. Tushara Kaliyath	
Coordinators:	Ayesha Hasan, Yogita Keni, Reia Vadakkan	

On the occasion of Photography Club presenting, which was conducted on 15th April 2023, the PICA social media team and the Photography Club launched a Architectural Tour Photography Competition. Through this competition, we appreciate the amazing talent and passion people share for photography.

To solemnize Tours, Pillai College of Architecture held a Tour Photography Competition by engaging Architecture students from all Batches of PICA. It took place on the 15th April 2023 through the virtue of Instagram and google forms. The supervision was done by Prof. Tushara Kaliyath. The top 10 entries were shortlisted by our Faculties through Google Form Marking, Rating them from 1 to 5, 5 being the highest. About 60+ entries were received out of which our Faculties shortlisted 10 per category. Of which 3 winners were selected and popular choice winner was selected by voting done on an Instagram story

After carefully examining each display, the winners were announced, bringing the event to a proper conclusion. Mahajan Nupur was declared the winner, followed by Sameer Pawar as First Runner Up and Chinmay Sybil as Second Runner Up. Popular Choice Award was won by Yutika Tawde. The winners were congratulated by uploading their winning submissions on PICA's Instagram page.
