

## FDP Annual Report 2018-23

Faculty development program becomes a platform for exploring different interesting fields and learning new ideas, innovative techniques related to academics as well as practice. It prepares teachers with the latest teaching methods & helps to impart effective education.

PiCA always encourages its teaching & non-teaching staff towards their upgradation in terms of knowledge gaining & implementing it in the teaching learning process. Faculties at PiCA choose the topics of their interest. FDPs by different collaborative agencies like COA, AICTE, DROP, INSTUCEN etc. are explored for diverse topics in architecture. The 50% reimbursement is done for one FDP in a year by the institute to motivate faculties towards it.
