The National Assessment and Accreditation Council (NAAC) is an autonomous body established by the University Grants Commission (UGC) of India to assess and accredit higher education institutions, ensuring quality and standards in education. To effectively manage the rigorous accreditation process, an institute constitutes a dedicated NAAC committee. This committee is responsible for preparing the Self-Study Report (SSR), coordinating with NAAC, organizing the peer team visit, and implementing continuous quality improvement measures. Comprising senior faculty, administrative staff, and members of the Internal Quality Assurance Cell (IQAC), the NAAC committee plays a pivotal role in fostering a culture of excellence and accountability within the institution.
