Dear Library Patrons (Teachers and Students),

Welcome to the newly added information tools like **E-Journals**, **Pillai's Digital Archive** and good number of **Open Access Resources** through this library website. It would be our endeavour to add more IT oriented virtual library facilities in the future. All these innovations are brought in with a view to make your every academic activity (Teaching and Learning) qualitatively sound and more meaningful. You are requested to make the optimum use of these tools, increase your presence in library virtually and physically and suggest us what are your further needs.

Dr. K. M. Vasudevan Pillai
(Chairman & CEO, MES)

Welcome to K-HUB E-LIBRARY: A SINGLE PLATFORM FOR ALL E RESOURCES.
 K-HUB is the leading platform for collective academic e-resources, offering one of the biggest subjects collection among other very rare and useful databases.

Products

K-HUB E-LIBRARY offers a wide range of products suitable for various academic institutions, hospitals, government organizations, public libraries, corporations among other research related organizations.

Subject collections

K-HUB E-LIBRARY is categorized into several subjects collection/databases. Libraries, organizations can subscribe to the collections that best suit their requirements. Subjects / Databases include - Medical, Dental, Engineering, Architecture, Pharmacy, Nursing, Computer Science among several others amounting to a total of 22 subjects.

Lipi Manuscript Collections

K-HUB E-LIBRARY further enhances the research pursuits by connecting users to rare, preserved and searchable manuscript collections ranging from 8000 BCE in the form of Lipi - Digital Manuscripts Collection. Lipi shares some of the world's most important cultural objects. Increasing access to culture...[read more](#)

Clinical Investigation

A complete solution for clinical research. Clinical Investigation incorporates over 450,000 studies from more than 200 countries. It enables users to search based on conditions(diseases) / interventional and observational studies. Clinical Investigation contributes to the latest medical developments...[read more](#)

Drug Matter

Drug Matter database works as a broad collection of drug-drug interactions explaining the effects of one drug on the body when consumed with other drugs. Drug Matter helps medical professionals in recognizing which drug would react in what way when taken with (strictly for educational purposes only).

Industries

K-HUB E-LIBRARY has specially curated collections to cater to different industries depending on their requirements.

- Academic/Institutional Libraries
- Public Libraries
- Healthcare Organizations
- Corporations
- Government Organizations

Academic/Institutional Libraries

K-HUB Subjects Collection/Databases extend to over 20 subject areas which the libraries can select as per their requirements. Access can be availed on institution premises and remote login as well. Comprehensive usage reports are also available on demand to promote more usage.

5.

Google classroom

The screenshot shows a Google Classroom interface for a class titled "401_Architectural Design". The left sidebar contains navigation options: Home, Calendar, Teaching, Archived classes, and Settings. The "Teaching" section lists several courses, with "401_Architectural Design" selected. The main content area features a header with the class name and a "Customize" button. Below the header, there are sections for "Meet" (with a "Generate link" button), "Class code" (5ib134f), and "Upcoming" (No work due soon). A "Stream" section shows a post from "Neha Sayed" with a message about site drawing and a PDF attachment titled "AD_401_site.pdf". At the bottom, there is a text input field for "Add class comment...".

6.

Online classes

The screenshot shows a Zoom meeting in progress. The main window displays an AutoCAD 2022 interface with a 2D architectural drawing of a site plan. A red rectangle highlights a specific area labeled "AHU". The drawing includes various lines, circles, and text annotations. The Zoom interface shows a grid of participant video thumbnails on the right, with names like "32_DILEEP NIKITHA", "31_PATHAK SAKSHI", "30_NAIR ADVAITAA SASIKUMAR", "41_RANE SALONI", "37_PATIL PRACHI", and "Neha Sayed". The bottom of the screen shows the Zoom control bar with icons for mute, video, chat, and other functions. The system tray at the bottom indicates the time as 10:20.
