Anubhuti Event- Plantation Drive (World Environment Day)		
Anubhuti Event	Session: 2023-24	YEAR - I, III, IV, V
The main objective of this campaign was to raise awareness and portray the importance of Mother Nature.	Time: 10:30 a.m. onwards	Semester: II, V, VII, IX
Anubhuti in charge:	Prof. Nitya Pratap, Prof. Suvarna Thakare	
Anubhuti coordinators:	Isha Sheikh, Kirti Bharambe	

Anubhuti, the social service wing of MES Pillai's College of Architecture, celebrated World Environment Day on June 8th, 2023, by organizing a plantation drive to raise awareness about the importance of protecting and preserving nature.

The event aimed to promote a sustainable lifestyle and a pollution-free environment, emphasizing the need to save our planet for future generations.

In the event, students were encouraged to inculcate a sustainable lifestyle. They were also encouraged to plant more trees for a pollution-free environment moreover to save the planet.

A total of 90 students from the 2nd, 3rd, and 4th years of B. Arch and around 15 members of the teaching staff attended and participated in the plantation drive. The event was also graciously attended by Dr Sudnya Mahimkar Madam, the principal of PICA. The event started at 10:30 a.m. with Dr Sudnya Mahimkar, principal of PICA, planting a sapling. This was then followed by sapling plantation by the faculties, non-teaching staff, and the students of PICA as well.

Report:

As a measure of staff welfare, Pillai College of Architecture came together with Pillai Institute of Management Studies and Research (PIMSR) and Soroptimist International Bombay Chembur (SIBC) to organize gift-giving to the help staff of Pillai Campus, New Panvel, and construction labour currently working on repair and maintenance.

With the help of SIBC members, we arranged donations to obtain new-brand export quality T-shirts from a wholesaler and obtained about 300 T-shirts.

On 4th August, we held an event of distributing the first lot of T shirts to a small group at the hands of Dr. Daphne Pillai, Secretary Mahatma Education Society. The recipients were very happy to receive the gift. The women staff received the gift on behalf of their husbands. In coming days, the rest of the shirts were distributed to the remaining support staff members. The event was co-ordinated by Prof. Smita Dalvi of PiCA and Prof. Celina Joy of PIMSR.

An initiative of Women Development Cell

PiCA celebrated Women Equality Day on August 29, 2023, with esteemed guests Major Priyanka Gupta and Mrs. Priya Tetgure, in the presence of students and members from the Women's Development Cells (WDC) of PIMSR, PCE, and PCACS departments at the Pillai Institute. The Women Development Cell at PiCA initiated this event to commemorate Women Equality Day and honor women who have gone above and beyond to pursue their dreams and careers.

The event took place in the 7th-floor Auditorium, running from 10:00 am to 12:00 pm, and attracted a large audience from various departments. Ar. Sayalee Kulkarni began the event with a welcoming address, shedding light on the historical significance of the day for women worldwide. The distinguished guests were warmly received by Dr. Sudnya Mahimkar, Principal of PiCA, and Prof. Smita Dalvi, a member of Soroptimist India.

Ar. Sayalee Kulkarni introduced the guest speakers, starting with Mrs. Priya Tetgure, an assistant loco pilot who predominantly operated passenger trains, ro-ro trains, mail express, and even goods trains, primarily on the Ratnagiri Roha Ratnagiri routes. Her responsibilities included assisting the locomotive pilot while driving the train, monitoring signal aspects, ensuring track safety, and making quick decisions when needed.

The second guest speaker was Major Priyanka Gupta, an architect by profession and Co-founder and Head of Marketing at VISOL renewable energy solutions, a solar consulting and EPC company. She also served as an ex-Army officer, commissioned into the Corp of Engineers of the Indian Army in March 2003.

Both speakers shared their enlightening journeys and the challenges they faced when choosing unconventional career paths. They discussed how they overcame gender bias and societal norms to pursue their dreams, offering guidance to the female audience on being prepared for unforeseen challenges in their career paths and staying self-safeguarded.

Major Priyanka Gupta's presentation deeply moved the audience as she recounted her journey from being an architect to serving in the Army, where she led a bridge company with approximately 200 male soldiers under her command. The session was highly inspiring, leaving attendees filled with pride for having such strong women among them.

The gathering ended with an expression of gratitude, leaving all the women in the room filled with pride, motivation, and a sense of empowerment as they departed for the day.

PILLAI COLLEGE OF ARCHITECTURE, New Panvel

Anubhuti Event- Kakhi with Khakhi (Raksha Bandhan)

Senate Event	Session: 2023-2024	YEAR - II, III, IV, V
Aim: Preserving the festival's traditional essence while promoting core values of gender equality, respect, and inclusivity in our society.	Time: 10:00 a.m. onwards Date: 31 st August, 2023	Semester: III, V, VII, IX

In charge:	Prof. Suvarna Thakare
Coordinators:	Isha Sheikh, Unnati Desale

Raksha Bandhan, the heartwarming festival that celebrates the unique bond between brothers and sisters, was observed with tremendous zeal at Pillai College of Architecture, New Panvel. This year, on the 31st of August, the celebrations took on an even more special dimension as we had the privilege of welcoming lady police officers as our esteemed guests of honor. The event was a beautiful blend of tradition, respect for law enforcement, and the spirit of togetherness.

Several lady police officers from the Khandeshwar police department graced us with their presence. Sub Inspector Mrs. Vaishali Galande, Head Constable Mrs. Vaishali Patil, Police Naik Vidya Bhuyal, Police Constable Mrs. Punam Gaikar, Police Constable Mrs. Rajeshri Kotkar, Police Constable Mrs. Rasika Jadhav, and Police Constable Mrs. Swapnali Khadi were among the esteemed guests.

The guests were welcomed with traditional ceremonies, and their presence deeply touched the hearts of everyone in attendance. The Raksha Bandhan celebration at the college was not just about tradition; it aimed to challenge gender stereotypes and promote unity and gratitude. In a progressive and heartwarming gesture, male students took the lead by choosing to tie rakhis to the lady police officers, who were invited as special guests.

The lady police officers, in turn, shared their experiences and offered inspirational messages to the students. They encouraged the young minds to consider careers in law enforcement and emphasized the importance of breaking gender stereotypes in society.

The Raksha Bandhan celebration at Pillai College of Architecture was truly exceptional. It preserved the festival's traditional essence while promoting gender equality, respect, and inclusivity in our society. This event made a profound impact on everyone present, underscoring the significance of breaking stereotypes and nurturing unity and gratitude within our celebrations and community.

It was a day that will be remembered for its meaningful and progressive approach to a cherished tradition.

Anubhuti Event- Clean Air for Blue Skies		
Senate Event	Session: 2023-2024	YEAR - II, III,
Aim: To raise awareness of the problems faced due to increasing pollution and introduce ways to prevent and mitigate these issues.	Time: 2 p.m. onwards Date: 15 th September, 2023	Semester: III, V
In charge:	Prof. Suvarna Thakare	
Coordinators:	Isha Sheikh, Unnati Desale	

The International Day for "Clean Air for Blue Skies" campaign, organized by the Anubhuti team of Pillai College of Architecture in collaboration with Bharat Vikas Parishad, was indeed a praiseworthy social service event. It took place at R. Z. P. School in Asudgaon on 15th September 2023, and witnessed active participation from 50 school students, along with the dedicated involvement of 15 volunteers and 2 faculty members from Pillai College of Architecture.

This initiative stands as a shining testament to the Anubhuti team's unwavering commitment to promoting environmental awareness and fostering meaningful community engagement. The engagement of college students in such events serves as a pivotal force in creating a positive impact and inspiring the younger generation to become conscientious stewards of our environment.

At the heart of this event was a poster-making competition for students in the 5th, 6th, 7th, and 8th grades. To facilitate their creativity, all necessary materials, such as colors, pencils, erasers, sharpeners, and paper, were generously provided by PiCA.

In addition to the poster competition, students from Pillai College of Architecture conducted a concise yet enlightening presentation. The objective of this presentation was to educate the young participants about the importance of clean air, the consequences of pollution, and practical measures to enhance air quality.

To acknowledge and celebrate the dedicated efforts and creative talents of the participants, certificates were distributed to all students who took part. Furthermore, prizes were awarded to the winners of the poster-making competition, further fueling their enthusiasm for

environmental awareness. These prizes were kindly sponsored by Bharat Vikas Parishad, and the award ceremony was graced by the presence of Mr. Shankar Apate and Mrs. Padmaja Kulkarni from BVP.

This event, beyond being a platform for creative and educational engagement, served as a catalyst for instilling a profound sense of responsibility toward the environment. It contributed significantly to the vision of a brighter, cleaner future for everyone, where awareness and action work hand in hand to create positive change.

Details of the event:

The Nurturing Nature Plantation Drive aimed to promote environmental consciousness and combat deforestation by organizing a community-driven tree planting event. The event took place at RZP School in the vicinity, with enthusiastic participation from student volunteers and community groups (School kids and staff). The event was organized on the occasion of International Day of Clean air for blue skies. Nature's club at Pillai College of Architecture have donated 20 plants to the RZP School, Asudgaon, Panvel. The Nurturing Nature Plantation Drive was a resounding success, thanks to the collective efforts of volunteers, organizers, and participants. By planting trees and raising awareness, we took a significant step towards building a greener, more sustainable future for generations to come.

Site Preparation: Prior to the event, the designated planting site was cleared and prepared to ensure optimal conditions for tree growth.

Tree Selection: Indigenous tree species suitable for the local climate and soil conditions were selected to promote biodiversity and ecosystem resilience.

Planting Process: Participants were divided into teams and provided with necessary tools and guidance for planting trees. Proper planting techniques were demonstrated to ensure the long-term survival and health of the trees.

Educational Sessions: Throughout the event, educational sessions were conducted to educate participants about the ecological benefits of trees, the importance of sustainable land management practices, and ways to combat climate change at the grassroots level.

Around 20 trees were successfully planted, contributing to the expansion of green cover in the area.

Community Engagement: The event fostered a sense of environmental stewardship among participants, encouraging them to take active roles in preserving and protecting natural resources.

[Handwritten signature]

Awareness Raised: Through educational sessions and outreach efforts, awareness about the significance of tree planting and environmental conservation was heightened within the local community.

Networking: The event facilitated networking opportunities among environmental organizations, local authorities and community members, paving the way for future collaborations on similar initiatives.

On the occasion of Gandhi Jayanti, Pillai College of Architecture organized a road cleaning drive on the streets of New Panvel. The event aimed to pay tribute to Mahatma Gandhi's ideals of cleanliness and community service, promoting a cleaner and greener environment. The event began at around 10 a.m and ended at around 11 a.m once the targeted streets were decently cleaned. The cleanliness drive began with an extensive clean-up drive, focusing on the main streets and public areas of New Panvel.

Around 28 participants along with 1 faculty member participated in the drive and the participants were divided into teams and equipped with brooms, trash bags, and cleaning supplies.

The event succeeded in creating awareness about cleanliness and the need for active community participation in maintaining public spaces. A significant amount of litter and garbage was collected and properly disposed of during the clean-up drive. The event exemplified the enduring importance of Mahatma Gandhi's ideals in today's world and served as a testament to the power of community action.

Amrut Kalash Yatra - "Meri Maati Mera Desh"

Date: October 11th, 2023

Location: Pillai College of Architecture

Objective: The event Amrut Kalash Yatra -"Meri Maati Mera Desh" was organized as a heartfelt tribute to the valiant individuals who made the ultimate sacrifice for the nation.

The primary objective was to honor and remember these heroes and create a sense of patriotism and pride among the participants.

Event Highlights:

- **Collecting Soil in Amrut Kalash:** The event kicked off with a solemn and symbolic gesture. Participants collected soil from various local regions. This soil was carefully placed in "Amrut Kalash," signifying the sacred bond between the nation and its people.
- **Pledge for the Nation:** A significant part of the event involved students, faculties, and non-teaching staff taking a pledge to serve and protect the nation. This pledge reinforced their commitment to upholding the values and principles that the country stands for.
- **Amrut Kalash Yatra:** The "Amrut Kalash Yatra" was a procession where students, teaching, and non-teaching members carried the sacred Amrut Kalash filled with soil. This yatra symbolized the unity of the people and their determination to safeguard the nation's heritage and legacy.
- **Establishing Small Amrut Vatika:** As a lasting tribute, a small Amrut Vatika (sacred garden) was established on the college premises. This garden served as a living memorial, reminding everyone of the sacrifices made by the nation's heroes.

The "Meri Maati Mera Desh" event at Pillai College of Architecture on October 11th, 2023, successfully achieved its objective of paying tribute to the brave individuals who laid down

their lives for the nation. Through the collection of soil, pledge-taking, the Amrut Kalash Yatra, and the establishment of the Amrut Vatika, the event fostered a deep sense of patriotism and unity among the participants. It reinforced the importance of preserving India's rich cultural heritage and instilled a commitment to uphold the values that make the nation great. This event was a remarkable demonstration of respect and gratitude for the sacrifices of our national heroes.

Subject: Organizing Hemoglobin test camp for school Girls and their Mothers/eligible Sisters under "Anemia Mukh Bharat" project of Bharat Vikas Parishad and parallelly conducting CPR Training in batches.

Respected Madam,

Further to the Understanding developed with your esteemed Institute, we wish to organize the above camp in your college premises on the 6th September, 2023 at a mutually convenient time schedule.

The basic need of conducting the camp are as under...

- You will kindly provide your covered Assembly Area/Hall for the Camp with 6 Tables & 18 Chairs.
- Sufficient Electric Power Points close to the Tables.
- You will please ensure that at least 500 Screenings are done in this camp. All the girl students, teaching and non-teaching Lady staff can participate in the camp.
- Aadhar Card for each beneficiary, including Students is a MUST.
- The beneficiaries who will be found Anemic, shall be given Free Iron Supplements for two months. It is to be made sure that they attend the Secondary Hb Test camp to be conducted, only for them, after two months.

We would also like to use this opportunity to conduct a CPR Training to the students to cope up with Cardiac emergency during any public functions. We would further like to promote our Flagship project "Plastic Mukh Vasundhara" by distributing Free Cotton Shopping Bags.

Your kind confirmation of the schedule by acknowledging it on the copy of this letter will be highly appreciated. In case of any queries, you may please contact the undersigned.

With warm Regards,

Dr Kirti Samudra,
President, Bharat Vikas Parishad, Panvel Branch.

The Women Development Cell of Pillai College of Architecture initiated an Anemia Mukh Bharat campaign in collaboration with Bharat Vikas Parishad and SIBC, along with PiCA Anubhuti and PiCA Senate members. On September 6th, 2023, an event was organized exclusively for all the women within the Pillai campus, including female students, teaching and non-teaching staff, as well as all female support staff.

Departments such as PCE, PCACS, PIMSR, Pillai Institute of Languages, Pillais Institute of Mass Media, and Pillai's Institute of Fashion Technology were warmly invited to participate in the hemoglobin testing camp and CPR training.

Dr. Kirti Samudra, President of Bharat Vikas Parishad, along with a team of 10 doctors, arrived at the venue on the event day. The venue was prepared according to the BVP coordinator's requirements and was ready for the significant event. The camp commenced at 8:45 am with a large number of female participants. The venue featured a registration desk for pre-registration, three blood testing stations, a medicine prescription desk, a remedial food distribution desk, and a reusable cloth bag distribution desk. Participants were given reusable bags and pledged to avoid using plastic bags as a step towards "Plastic Mukh Bharat," another flagship project by Bharat Vikas Parishad.

Dr. Kirti Samudra personally counseled the participants, emphasizing the importance of maintaining healthy hemoglobin levels. Each participant received chickpeas and jaggery packets, known for their efficacy in boosting hemoglobin levels.

Once their hemoglobin testing was completed, participants were directed to the CPR training conducted on the ground floor by an experienced team of doctors. CPR training proved to be a valuable initiative for handling emergencies.

The camp received an overwhelming response from students across various departments. Student council members played a pivotal role in ensuring the camp's smooth operation, guiding students in batches, and providing support to those who were apprehensive.

The teaching faculty, non-teaching female staff, and support staff also turned out in significant numbers to participate in the camp. Dr. K.M. Vasudevan, the founder of the institution, attended the camp, underwent hemoglobin testing, and encouraged all participants to prioritize their health, as they represent the future inspirers of the country. He commended the organizers for their dedicated efforts.

The guests were honored by Dr. K.M. Vasudevan, Dr. Sudnya Mahimkar, and Prof. Shubhangi Bhide. The program concluded with a vote of thanks to all the guests and the organizing committees. The camp was a tremendous success, with approximately 715 hemoglobin tests and CPR training sessions completed.

PILLAI COLLEGE OF ARCHITECTURE, New Panvel		
Anubhuti Event- Community Service Day		
Anubhuti Event	Session: 2023-2024	YEAR - II
Aim: Fostering a sense of community and goodwill while promoting creativity, social skills, and teamwork	Time: 9:30 a.m. Date: 27 th January, 2024	Semester: IV
In charge:	Prof. Suvarna Thakare	
Coordinators:	Isha Sheikh, Unnati Desale	

Anubhuti, the social service wing of Pillai College of Architecture, New Panvel, hosted a heartwarming Community Service Day to bring joy and learning to children from the NGO "Vanvasi Kalyan Ashram, Chinchavli". Held on our college premises, the event showcased our commitment to giving back to the community and forming meaningful bonds with those in need.

The event began with a warm welcome for 29 guests, who were given badges before enjoying a delicious lunch. Afterward, a variety of fun activities filled the agenda. A standout was the clay workshop led by Prof. Jayesh Patil, where kids were encouraged to get creative and express themselves through art. Guided by Prof. Patil, the children molded clay into different shapes, using it as a way to express their feelings.

Following the clay workshop, a range of games and activities were organized to keep the children entertained. The classic game of musical chairs brought smiles and excitement as participants competed for seats. These activities not only brought joy but also helped develop social skills and teamwork among the children.

To wrap up the day, students from "Vanvasi Kalyan Ashram, Chinchavli" performed a dance to express their gratitude to PiCA. The event concluded with the distribution of participation certificates for the clay workshop and small gifts as tokens of love.

CIRCULAR

At the outset, the Management Board of Mahatma Education Society would like to thank all of you for your support towards its Community Service initiatives which has grown in leaps and bounds along with the growth of MES over the last five decades. We are happy to inform you that we will be observing our flagship annual initiative, Community Service Day on Saturday, 3rd February 2024 at Dr. K. M. Vasudevan Pillai Campus, Panvel.

As in the last year, we have grouped our institutions as given below and would like the faculty of each Institution to invite the residents (upto 40 persons) of any NGO that they have been associated with to our Campus and plan an activity for them. This will be followed by the talent show, UBER RANG. The proposed schedule at the Campus is:

Timings	Activity
11.45 am	Assemble at Dr. K M Vasudevan Pillai Campus for lunch
01.30 pm	Inaugural welcome ceremony
02.00 pm	Activity conducted by faculty of each institution for the NGO invited by them at a specified location at the Campus (Tea & Snacks will be served at the location)
05.30 pm	End of activity for the guests from the NGOs
05.45 pm	UBER RANG Talent Show

Heads of Institutes are requested to forward the name of the faculty in charge of this activity, list of faculty members, details of the participating NGOs, number of members of the NGO expected to participate, copy of the invitation letter sent to the NGO, details of the activity planned and infrastructural support required at the Campus to Ms. Yvette Lee (mobile number -9819812019; email - yvette@mes.ac.in) by 20th of December 2023.

Please note that 3rd February 2024 is a non-instructional working day and all faculty members are required to be present for Community Service celebrations in the day OR Uber Rang event in the evening. A voluntary box collection may be circulated among students of the degree colleges and institutes of higher education. A contribution list may be circulated among teaching and non-teaching staff for their voluntary contributions. These funds will be used to defray the expenses of Community Service Day. The money collected from the voluntary contributions must be deposited with the Accounts department of the respective Institute and subsequently sent to Panvel Campus.

On the 7th of March 2024, the Pillai Group of Institutions joyously celebrated International Women's Day. The event, orchestrated by the Women Development cell across all

departments in collaboration with Soroptimist International Bombay Chembur, was a testament to empowerment and recognition.

The highlight of the day was the presence of esteemed guests, notably Ms. Sumaira Abdulali, a renowned philanthropist and the founder of the "Awaz Foundation." Ms. Abdulali was not only invited as a guest speaker but was also honored with the prestigious Soroptimist Excellence Award for the year 2024.

Ms. Sumaira Abdulali, born on 22nd May 1961, is an eminent environmentalist hailing from Mumbai, India. She is the force behind the NGO Awaaz Foundation and is the convenor of the Movement against intimidation, threat, and revenge against activists (MITRA). Her dedication to environmental causes is reflected in her role as the co-chairman of the conservation subcommittee and honorary secretary of Asia's oldest and largest environmental NGO, the Bombay Natural History Society.

Throughout her illustrious career, Ms. Abdulali has championed environmental awareness through legal interventions, advocacy, public campaigns, and contributions to documentary films, television debates, and press articles. She has brought attention to previously overlooked environmental hazards, notably noise pollution and sand mining, earning national and international accolades for her impactful work. Her resilience is further highlighted by her establishment of the first network for the protection of activists in India following an attack by the sand mafia in 2004. She is rightfully hailed as "one of India's foremost environmental activists."

The event also welcomed Ms. Lyudmyla Herasymenko, Director of Europe, Central Asia, Latin America, and the Caribbean at Paris World Games. Besides her distinguished roles at The American Business School of Paris and All-in-Global as Head of Sports and E-Sports, she is a Director and Partner of Match Day 2018.

The program commenced with warm welcomes extended to the dignitaries and attendees from various departments, including faculty and students. Ms. Abdulali took center stage, sharing insightful experiences from her journey as an activist and environmentalist. She shed light on the critical issue of noise pollution and emphasized collective efforts in mitigating its impact.

The culmination of the event was the presentation of the Soroptimist Excellence Award to Ms. Abdulali by Ms. Daphnie Pillai, Chairperson of the Pillai Group of Institutions. This gesture not only honored Ms. Abdulali's contributions but also inspired all present to strive for positive change and environmental stewardship.

The celebration of International Women's Day at the Pillai Group of Institutions was not just an event but a reaffirmation of the enduring spirit and impact of women leaders in shaping a sustainable and equitable future
