The meeting commenced with the faculty members highlighting the opportunity to improve co-ordination between the council members. The meeting moved further with the discussion of the list of responsibilities allotted to every student council member.

A draft of the poster for the General Body Meeting (GBM) was shared with the faculty where the idea of having separate posters for Heads, Co-heads and Members came up. The faculties talked about including circulars, note-cam photos, attendance sheets and poster photos in the report.

The council members were then briefed about all the things which would be required for the next official council Meet. The new Anubhuti co-ordinator Prof. Suvarna Thakare was introduced to the council members. Discussions about having major Anubhuti events like Handlooms Day, Akshay Urja Divas, International Day for Disaster Reduction, and World Mental Health were done.

An idea of having different budget for different departments was proposed by the faculties. The council then warmly welcomed Prof. Neha Deshpande, the VOX Co-ordinator and discussed the budgets for PICAGRAM and VOX events. There were also talks about Mindscape and arrangements quizzes and debates.

As Friendship Day was approaching, the council members engaged in planning its celebrations on Tuesday. Budget breakdowns for each event were analysed, and the need for pre-preparation of circulars and posters to avoid last minute mishaps was suggested.

The theme for the poster was also discussed with her. She also further suggested to create a Documentation team to efficiently manage records and documents in the future.

The student council learned that they had collected money from M.arch students for three years, but hadn't organized any events for them. Sudnya ma'am explained why it's important to plan a budget for M.arch students in advance. They also found out that the unspent money was kept in a reserve fund. They were told that this fund should only be used for big events. The council was asked to encourage more interaction between M.arch and B.arch students.

The council was also told that MES had been contributing immensely to Anubhuti events. Sudnya ma'am explained that the March budget depended upon the number of admissions.

The meeting then shifted towards the discussion of making the newly formed clubs more active. They discussed whether any leftover money from one event could be used for other events.

Sudnya ma'am introduced the SENATE handbook, which was ready to be put on the website after designing a cover. The student council was asked about the differences between the Publication, Publicity, and the Graphic teams' roles. The students were advised to make a list which would contain the name of the team and their role. Sudnya ma'am emphasized the importance of informing the faculty before distributing any posters to the council.

Faculty members proposed having different templates for various events. They talked about using a "metaverse" theme for the calendar. Sudnya ma'am mentioned 12 mandatory events that the

student council needed to organize. Jayesh sir emphasized that all event reports should follow a specific format.

Sudnya ma'am emphasized that if any events continue beyond 4:30 p.m. , it is essential to have a minimum of two faculty members present.

They discussed the importance of sending proper invitations to faculty members when they needed to attend events. They also addressed the issue of speakers not working well during events.

The meeting also involved discussion about the storage of the leftover materials from events.

The meeting ended with Sudnya ma'am going over the guidelines for how the student council should work.

During the meeting, the following issues were addressed and resolved:

The questions regarding budgets of B.arch and M.arch were solved. The doubts pertaining the roles of the Publication team and the VOX team were clarified. The issue concerning the malfunctioning of the speakers was successfully resolved by the council receiving authorization to utilize the existing set of four speakers which were present with PICA.

ONAM CELEBRATION

SENATE event	Session 2023-24	Years- II, III, IV, V
Date: 25 th August	Time: 3:30 p.m. onwards	Semester- III, V, VII, IX

SENATE in charge:	Prof. Jayesh Patil and Prof. Ashwini Bhosale
SENATE co-ordinator	Jill Mehta, Darsh Ranawat & Mrunmayee Sule

Onam, the traditional harvest festival of Kerala, was celebrated with great enthusiasm at Pillai College of Architecture on 25th of August 2023, from 3:30 p.m. onwards in the ground floor studio. The event showcased a vibrant blend of cultural performances, competitions, and ceremonies that brought together students from all years.

The celebration commenced with lamp lighting ceremony, symbolizing the dispelling of darkness and the arrival of light. This was followed with 2nd year students showcasing their vocal talents by performing traditional onam song.

Students from different years came together to present skit that highlighted the significance of Onam and its cultural importance. Subsequently, dance performances by 2nd, 3rd and 4th year contributed to the essence of festive atmosphere with their graceful moves and costumes.

One of the most anticipated events was the Pukalam (floral rangoli) competition. Teams from each year participated, showcasing their creativity and teamwork in designing intricate and colourful Pukalams. The celebrations also included a variety of games like musical chair that added a fun and competitive element to the event.

The Onam celebration was brought to end with a vote of thanks and photographs. The event not only celebrated Kerala's cultural richness but also encouraged inter-year interactions and camaraderie among the students.

The workshop conducted and Organized by Social Media Team, Photography Club and Senate for All the students of PiCA and Other colleges, which started at 10:30 am, began with a warm welcome from Professor Tushara Kaliyath and 2nd-year student Sanskruti Patil. They introduced the guest speaker, Mr. Mangesh Mhadavde, who shared his professional journey, setting the stage for an enriching learning experience.

Mr. Mhadavde's comprehensive presentation covered a wide array of essential photography topics. He started by explaining the fundamentals of photography, including concepts like aperture, shutter speed, ISO, and composition. This foundational knowledge provided participants with a solid understanding of how these elements interact to create compelling images.

Participants were then introduced to various camera types, from DSLRs to mirrorless cameras, and learned about essential accessories such as lenses, tripods, and filters. This insight into camera equipment equipped them with the necessary tools to enhance their photography. Exposure control was a key focus of the workshop. Attendees gained proficiency in adjusting settings like aperture, shutter speed, and ISO to achieve their desired photographic results. Additionally, they explored composition techniques, including the rule of thirds, leading lines, framing, and perspective, all vital for creating visually appealing images.

Understanding the role of lighting in photography was another critical aspect covered during the workshop. Participants delved into different types of lighting, from natural to artificial and studio lighting. Techniques for manipulating and controlling light to achieve specific effects were also discussed.

The workshop introduced participants to various camera modes, including manual, aperture priority, shutter priority, and program mode. This knowledge empowered them with creative control over their camera settings and photography. Post-processing was another significant topic covered. Participants learnt how to edit and enhance their photos to unlock their full potential.

Lastly, the workshop explored different photographic genres, such as portrait, landscape, interior, commercial, macro, street, and wildlife photography. This allowed participants to explore their unique interests and preferences within the diverse world of photography.

One of the workshop's highlights was the interactive session where Mr. Mangesh Mhadavde encouraged Students to share their doubts and work with the group. An initiative of Women Development Cell

PiCA celebrated Women Equality Day on August 29, 2023, with esteemed guests Major Priyanka Gupta and Mrs. Priya Tetgure, in the presence of students and members from the Women's Development Cells (WDC) of PIMSR, PCE, and PCACS departments at the Pillai Institute. The Women Development Cell at PiCA initiated this event to commemorate Women Equality Day and honor women who have gone above and beyond to pursue their dreams and careers.

The event took place in the 7th-floor Auditorium, running from 10:00 am to 12:00 pm, and attracted a large audience from various departments. Ar. Sayalee Kulkarni began the event with a welcoming address, shedding light on the historical significance of the day for women worldwide. The distinguished guests were warmly received by Dr. Sudnya Mahimkar, Principal of PiCA, and Prof. Smita Dalvi, a member of Soroptimist India.

Ar. Sayalee Kulkarni introduced the guest speakers, starting with Mrs. Priya Tetgure, an assistant loco pilot who predominantly operated passenger trains, ro-ro trains, mail express, and even goods trains, primarily on the Ratnagiri Roha Ratnagiri routes. Her responsibilities included assisting the locomotive pilot while driving the train, monitoring signal aspects, ensuring track safety, and making quick decisions when needed.

The second guest speaker was Major Priyanka Gupta, an architect by profession and Co-founder and Head of Marketing at VISOL renewable energy solutions, a solar consulting and EPC company. She also served as an ex-Army officer, commissioned into the Corp of Engineers of the Indian Army in March 2003.

Both speakers shared their enlightening journeys and the challenges they faced when choosing unconventional career paths. They discussed how they overcame gender bias and societal norms to pursue their dreams, offering guidance to the female audience on being prepared for unforeseen challenges in their career paths and staying self-safeguarded.

Major Priyanka Gupta's presentation deeply moved the audience as she recounted her journey from being an architect to serving in the Army, where she led a bridge company with approximately 200 male soldiers under her command. The session was highly inspiring, leaving attendees filled with pride for having such strong women among them.

The gathering ended with an expression of gratitude, leaving all the women in the room filled with pride, motivation, and a sense of empowerment as they departed for the day.

In charge:	Prof. Suvarna Thakare
Coordinators:	Isha Sheikh, Unnati Desale

Raksha Bandhan, a joyous festival celebrating the bond between brothers and sisters, was celebrated with great enthusiasm at Pillai College of Architecture, New Panvel. On 31st August, celebration was made even more special as we were honored to have lady police officers as a guest of honor. The event was a wonderful blend of tradition, respect for law enforcement, and the spirit of togetherness. Several lady police officers from the Khandeshwar police department were invited to be part of the celebration. They were welcomed with traditional ceremonies and were deeply moved by the students' gesture. The Raksha Bandhan celebration at the college aimed to break gender stereotypes and promote a sense of unity and gratitude. Male students enthusiastically took the lead by choosing to tie rakhis to the lady police officers who were invited as special guests. The lady police officer shared their experiences and provided inspirational messages to the students. They encouraged the young minds to consider careers in law enforcement and emphasized the importance of breaking gender stereotypes. The Raksha Bandhan celebration at Pillai College of Architecture, where both male and female students tied rakhis to lady police officers, was a remarkable and progressive event. It demonstrated not only the preservation of the festival's traditional essence but also the promotion of gender equality, respect, and inclusivity in our society. The event left a profound impact on everyone present, highlighting the significance of breaking stereotypes and fostering unity and gratitude in our celebrations and community.

The Women Development Cell of Pillai College of Architecture initiated an Anemia Mukht Bharat campaign in collaboration with Bharat Vikas Parishad and SIBC, along with PiCA Anubhuti and PiCA Senate members. On September 6th, 2023, an event was organized exclusively for all the women within the Pillai campus, including female students, teaching and non-teaching staff, as well as all female support staff.

Departments such as PCE, PCACS, PIMSR, Pillai Institute of Languages, Pillais Institute of Mass Media, and Pillai's Institute of Fashion Technology were warmly invited to participate in the hemoglobin testing camp and CPR training.

Dr. Kirti Samudra, President of Bharat Vikas Parishad, along with a team of 10 doctors, arrived at the venue on the event day. The venue was prepared according to the BVP coordinator's requirements and was ready for the significant event. The camp commenced at 8:45 am with a large number of female participants. The venue featured a registration desk for pre-registration, three blood testing stations, a medicine prescription desk, a remedial food distribution desk, and a reusable cloth bag distribution desk. Participants were given reusable bags and pledged to avoid using plastic bags as a step towards "Plastic Mukht Bharat," another flagship project by Bharat Vikas Parishad.

Dr. Kirti Samudra personally counseled the participants, emphasizing the importance of maintaining healthy hemoglobin levels. Each participant received chickpeas and jaggery packets, known for their efficacy in boosting hemoglobin levels.

Once their hemoglobin testing was completed, participants were directed to the CPR training conducted on the ground floor by an experienced team of doctors. CPR training proved to be a valuable initiative for handling emergencies.

The camp received an overwhelming response from students across various departments. Student council members played a pivotal role in ensuring the camp's smooth operation, guiding students in batches, and providing support to those who were apprehensive.

The teaching faculty, non-teaching female staff, and support staff also turned out in significant numbers to participate in the camp. Dr. K.M. Vasudevan, the founder of the institution, attended the camp, underwent hemoglobin testing, and encouraged all participants to prioritize their health, as they represent the future inspirers of the country. He commended the organizers for their dedicated efforts.

The guests were honored by Dr. K.M. Vasudevan, Dr. Sudnya Mahimkar, and Prof. Shubhangi Bhide. The program concluded with a vote of thanks to all the guests and the organizing committees. The camp was a tremendous success, with approximately 715 hemoglobin tests and CPR training sessions completed.

Anubhuti Event- Guest lecture on De Addiction

Senate Event	Session: 2023-2024	YEAR – I and II
Aim: Contributing to the well being of society and spreading awareness regarding benefits of de-addiction.	Time: 09:30 a.m. Date: 16 th January, 2024	Semester: 2.4 and 6

In charge:	Prof. Suvarna Thakare
Coordinators:	Isha Sheikh, Unnati Desale

On the occasion of National Youth day, Anubhuti, the social service wing of Pillai College of Architecture organaized a guest lecture based on De addiction for the 1st, 2nd and 3rd year students of B.Arch. The guest lecturer, Dr. Kanchan Chalmela was invited to enlighten the students about the same. The event aimed to pay attention in contributing to the well being of our society, while it began at around 9:45 a.m and ended at around 11 a.m. The agenda of the lecture was to create awarness among the youth about the negative effects on the body and mind caused due to addiction and methods of recovering from the same.

Around 45 to 50 participants along with 4 faculty members participated in the event and the participants were engrossed and had many queries which were being cleared by the professor .

The event succeeded in creating awareness about addiction which is basically a condition where a person becomes dependent on a substance or behavior, leading to compulsive engagement despite the negative consequences. It can involve substances like drugs or alcohol, as well as activities like gambling or gaming. Treatment typically combines medical and behavioral approaches to address both the physical and psychological aspects of addiction. Support from healthcare professionals, therapy, and support groups is crucial for individuals in such cases, which was also discussed and contemplated upon during the lecture.

Anubhuti, the social service wing of Pillai College of Architecture, New Panvel, hosted a heartwarming Community Service Day to bring joy and learning to children from the NGO "Vanvasi Kalyan Ashram, Chinchavli". Held on our college premises, the event showcased our commitment to giving back to the community and forming meaningful bonds with those in need.

The event began with a warm welcome for 29 guests, who were given badges before enjoying a delicious lunch. Afterward, a variety of fun activities filled the agenda. A standout was the clay workshop led by Prof. Jayesh Patil, where kids were encouraged to get creative and express themselves through art. Guided by Prof. Patil, the children molded clay into different shapes, using it as a way to express their feelings.

Following the clay workshop, a range of games and activities were organized to keep the children entertained. The classic game of musical chairs brought smiles and excitement as participants competed for seats. These activities not only brought joy but also helped develop social skills and teamwork among the children.

To wrap up the day, students from "Vanvasi Kalyan Ashram, Chinchavli" performed a dance to express their gratitude to PiCA. The event concluded with the distribution of participation certificates for the clay workshop and small gifts as tokens of love.

The Pillai Group of Institutions recently celebrated Shivjayanti on March 17, 2024, with a vibrant and engaging event that brought together students, faculty, and guests to honor the legacy of Shivaji Maharaj. The festivities began with captivating cultural performances by students, including traditional dances and recitations of powadas, which evoked a sense of pride and admiration for Shivaji Maharaj's valor and leadership. The venue was adorned with elaborate decorations, featuring portraits of eminent figures from Shivaji Maharaj's court, while orange flags symbolized courage and strength, adding to the historical ambiance.

A highlight of the celebration was the spirited performance by the Dhol Pathak, whose rhythmic beats echoed throughout the campus, infusing the event with energy and excitement. Beyond the entertainment, the Shivjayanti celebration provided an opportunity for reflection and learning, as students and faculty engaged in discussions about Shivaji Maharaj's life and principles.

Overall, the Shivjayanti celebration at Pillai Group of Institutions served as a meaningful tribute to Shivaji Maharaj, fostering a deeper appreciation for our cultural heritage and inspiring attendees to embody the values of courage, resilience, and leadership exemplified by Shivaji Maharaj.

Senate Event	Session: 2023-2024	YEAR - II, III, IV, V
Date: 7 th March, 2024	Time: 5:30 p.m.	Semester: III, V, VII, IX
In charge:	Prof. Jayesh Patil and Prof. Ashwini Bhosale	
Coordinators:	Jill Mehta, Sameer Pawar	

The farewell event for our esteemed seniors was a memorable occasion that brought together students, faculty, and staff to celebrate the culmination of their college journey. Organized by the third-year students, the event was a heartfelt tribute to the departing seniors, honoring their contributions and cherishing the memories created over the years. Before the dinner, a class photograph of the seniors was taken, capturing the essence of their time together and serving as a timeless memento of their college experience. On stage, each senior was presented with a memento, accompanied by unique songs that resonated with their individual experiences and personalities, adding a personal touch to the farewell.

The atmosphere was vibrant and filled with excitement as first and second-year students showcased their talent through captivating dance performances, setting the stage for an evening of celebration. Amidst the festivities, a soulful singing performance further enriched the evening, filling the air with melodious tunes and heartfelt emotions. The third-year students, who hosted the event, ensured its seamless execution, creating a warm and welcoming environment for everyone present.

A poignant highlight of the evening was the screening of a movie crafted to capture the cherished memories and experiences shared by the departing fifth-year students, evoking emotions of nostalgia and gratitude among the audience. Following the event, a delightful dinner provided an opportunity for students, faculty, and staff to bid farewell to the fifth-year seniors, sharing laughter, stories, and heartfelt good wishes for their future endeavours.

As we bid farewell to our seniors, we reflect on the lasting impact they have had on our college community and express our gratitude for the friendships formed, lessons learned, and memories cherished. We extend our heartfelt wishes for success and happiness as they embark on new journeys, confident in the knowledge that they will always be valued members of our college family.
