Induction day

SENATE event	Session: 2023-24	Years- I
Date: 10 th October, 2023	Time: 11:00 am to 2:00 p.m.	Semester- I

SENATE in charge:	Prof. Jayesh Patil and Prof. Ashwini Bhosale
SENATE co-ordinator	Jill Mehta, Sameer Pawar, Satyajeet Suryawanshi

The Induction Day for the 1st-year Bachelor of Architecture (B.Arch) students and their parents was held at Pillai College of Architecture, New Panvel. The day was meticulously organized to provide insight into the college, its faculty, infrastructure, and the course structure. The day commenced with a solemn lamp lighting ceremony, symbolizing the beginning of a new academic journey for the incoming students.

Principal Dr. Sudnya Mahimkar addressed the assembled crowd, imparting valuable insights into the college's vision, mission, and academic ethos. She provided an overview of the course curriculum and highlighted the college's commitment to academic excellence. Prof. Sasmit elaborated on the college's state-of-the-art infrastructure, emphasizing its conducive environment for learning and creative expression. He provided a comprehensive overview of the facilities available to students, including studios, workshops, and resource centers.

The General Secretary of the Student Council introduced each council member and elucidated their respective roles and responsibilities. This initiative aimed to familiarize the students with the student governance structure and foster a sense of community within the college. Principal Sudnya Mahimkar engaged in a dynamic question and answer session with students and their parents. This interactive session provided an opportunity for attendees to seek clarification on various aspects of college life, academics, and extracurricular activities. The day culminated with an engaging exhibition organized by the Student Council. The exhibition showcased the creative endeavours and academic achievements of the students, offering a glimpse into their innovative projects and design concepts.

The Induction Day at Pillai College of Architecture was a resounding success, setting a positive tone for the academic year ahead. Through meaningful interactions, informative sessions, and creative displays, the event fostered a sense of belonging and enthusiasm among the incoming students and their parents. It served as a testament to the college's commitment to nurturing aspiring architects and fostering a vibrant learning community.

M.E.S. PILLAI COLLEGE OF ARCHITECTURE , New Panvel		
Vachan Prerna Divas		
Celebration for Vachan Prerna Diwas & Innovation Day	Session :	Year: 2023-24
Date : 23-10-2023	Time: 2:00 to 4.00 pm	Venue: 3rd Floor Studio

Faculty	Co-ordinator : Prof. Aarti Mankame
---------	------------------------------------

Details of the event:

The Vachan Prerna Diwas event was inaugurated by Professor Aarti Mankame, who shared valuable tips on effective book reading, especially targeting newcomers for their future development. She underscored the significant role of reading in personal growth and skill acquisition. Professor Mankame recommended exploring books on diverse subjects such as World Politics, Environment, Climate, and Politics.

Commencing the event, Aarti Ma'am shared her favorite poem, "ONE ART" by Elizabeth Bishop. The poem eloquently expressed the art of losing things and the unpredictability of plans. A poignant reflection on losing people and places resonated with the audience, capturing the essence of life. Particularly impactful were the lines, "As we grow up, we start losing people; Losing someone dearest is a very difficult feeling." The central theme, "The Art of Losing Isn't Hard to Master," left a lasting impression.

Following Aarti Ma'am's captivating poem, Prathmesh Sir took the stage to discuss the skills acquired through reading and their applicability in architecture. He then recited "Jaya," a translated version of the Mahabharat, offering motivational insights to the students. Concluding his session, Prathmesh Sir provided a brief yet insightful explanation of life.

Next, Suvarna Ma'am delivered a unique perspective, sharing that while they weren't currently reading anything, they had selected motivating books for their future. Ma'am recommended books like "STAY HUNGRY, STAY FOOLISH," "THE COURAGE TO BE DISLIKED," and "LETTERS TO A

YOUNG ARCHITECT" by Christopher Benniger. Drawing from the third chapter of the latter, Ma'am highlighted essential points, including being authentic, letting your work speak for itself, embracing criticism and praise, and trusting your teachers for guidance.

Moving on, Bhide Ma'am presented a Marathi poem titled "TRUST OF GOD," emphasizing the crucial role trust plays in life. Saroj Ma'am shared valuable insights, encouraging students to observe their surroundings, persevere after failures, and recognize the transformative power of innovation in society. Concluding with motivational lines, Ma'am wrapped up her session.

The final reading was delivered by Avinash Sir, who imparted strong motivational lines, urging students to overcome their fears and not fear rejection. With these inspiring readings, the session came to a close, leaving the audience enriched and motivated.

FRESHER'S EVENT

SENATE event	Session 2023-24	Years- II, III, IV,V
Date: 22 nd December, 2023	Time: 3:00 p.m. onwards	Semester- I, IV, VI, X

SENATE in charge:	Prof. Jayesh Patil and Prof. Ashwini Bhosale
SENATE co-ordinator	Jill Mehta, Sameer Pawar & Satyajit Suryawanshi

The Pillai College of Architecture in New Panvel hosted an electrifying Freshers Event on December 22nd, 2023, in auditorium marking a vibrant celebration of talent, creativity, and camaraderie within the student community.

The event commenced at 3:00 p.m., drawing the participation of esteemed faculties and students across all five academic years. Embracing the theme of 'Fictional Characters,' the first-year students made a spectacular entrance, adorned in captivating costumes that brought beloved fictional personas to life.

Throughout the event, the auditorium resonated with the energetic performances from the 2nd and 3rd-year students, who showcased their exceptional talents in singing, dancing, duet performances, and instrumental renditions. The stage came alive with a medley of melodies and captivating choreography that enthralled the audience.

Moreover, the first-year students had the opportunity to introduce themselves, fostering an environment of interaction and inclusion. This exchange allowed for a warm welcome into the college community.

The pinnacle of the evening featured the highly anticipated announcements, recognizing outstanding individuals for their contributions and flair. The titles of Mr. Fresher, Ms. Fresher, Best Entertainer, and Best Costume were awarded to commend the exceptional talents and creativity exhibited during the event.

The atmosphere was vibrant, filled with excitement, laughter, and a sense of unity among the attendees. The event concluded on a high note, leaving an indelible mark as a memorable and enjoyable gathering that strengthened the bond among students and faculty members.

REPUBLIC DAY

SENATE Event	Session 2023-24	Years- II, III, IV,V
Date: 26 th January, 2024	Time: 8:00 a.m.	Semester- III, V, VII, IX

SENATE in charge:	Prof. Jayesh Patil and Prof. Ashwini Bhosale
SENATE co-ordinator	Jill Mehta

The Republic Day celebration at Pillai Group of Institutions was a dynamic and memorable event, attended by students and faculty from Pillai College of Architecture, Engineering, Arts, Science, Commerce, and Management. The ceremony commenced with the solemn flag hoisting, a symbol of our nation's unity and sovereignty. Ms. Deepika Mam, the Vice Principal of PCACS, captivated the audience with her impassioned speech, stressing the crucial role of education in shaping the future of our youth. Her words resonated with attendees, underscoring the need for innovative and effective learning methods.

Celebrating Republic Day in an architecture college can be a blend of patriotic fervour and the creative spirit of architecture. Here are some detailed suggestions for organizing a memorable Republic Day celebration

Adding to the festive atmosphere, students showcased their talents through captivating dance and melodious singing performances, infusing the event with energy and vibrancy. Through these cultural expressions, the spirit of patriotism and camaraderie reverberated across the campus, fostering a sense of belonging and pride among all participants.

As the celebrations drew to a close, there was a palpable sense of unity and optimism, highlighting the enduring significance of Republic Day in bringing together communities and honouring our shared heritage.

Anubhuti Event- Community Service Day		
Anubhuti Event	Session: 2023-2024	YEAR - II
Aim: Fostering a sense of community and goodwill while promoting creativity, social skills, and teamwork	Time: 9:30 a.m. Date: 27 th January, 2024	Semester: IV
In charge:	Prof. Suvarna Thakare	
Coordinators:	Isha Sheikh, Unnati Desale	

Anubhuti, the social service wing of Pillai College of Architecture, New Panvel, hosted a heartwarming Community Service Day to bring joy and learning to children from the NGO "Vanvasi Kalyan Ashram, Chinchavli". Held on our college premises, the event showcased our commitment to giving back to the community and forming meaningful bonds with those in need.

The event began with a warm welcome for 29 guests, who were given badges before enjoying a delicious lunch. Afterward, a variety of fun activities filled the agenda. A standout was the clay workshop led by Prof. Jayesh Patil, where kids were encouraged to get creative and express themselves through art. Guided by Prof. Patil, the children molded clay into different shapes, using it as a way to express their feelings.

Following the clay workshop, a range of games and activities were organized to keep the children entertained. The classic game of musical chairs brought smiles and excitement as participants competed for seats. These activities not only brought joy but also helped develop social skills and teamwork among the children.

To wrap up the day, students from "Vanvasi Kalyan Ashram, Chinchavli" performed a dance to express their gratitude to PiCA. The event concluded with the distribution of participation certificates for the clay workshop and small gifts as tokens of love.

NO RELIGION IS GREATER THAN TRUTH

MAHATMA EDUCATION SOCIETY

Chembur Naka, Mumbai - 400 071 Tel: 2522 4856 / 2522 8414 Fax: 91 22 2522 9587
Website: www.mes.ac.in, Email: mes@mes.ac.in

16th November 2023

CIRCULAR

At the outset, the Management Board of Mahatma Education Society would like to thank all of you for your support towards its Community Service initiatives which has grown in leaps and bounds along with the growth of MES over the last five decades. We are happy to inform you that we will be observing our flagship annual initiative, Community Service Day on Saturday, 3rd February 2024 at Dr. K. M. Vasudevan Pillai Campus, Panvel.

As in the last year, we have grouped our institutions as given below and would like the faculty of each Institution to invite the residents (upto 40 persons) of any NGO that they have been associated with to our Campus and plan an activity for them. This will be followed by the talent show, UBER RANG. The proposed schedule at the Campus is:

Timings	Activity
11.45 am	Assemble at Dr. K M Vasudevan Pillai Campus for lunch
01.30 pm	Inaugural welcome ceremony
02.00 pm	Activity conducted by faculty of each institution for the NGO invited by them at a specified location at the Campus (Tea & Snacks will be served at the location)
05.30 pm	End of activity for the guests from the NGOs
05.45 pm	UBER RANG Talent Show

Heads of Institutes are requested to forward the name of the faculty in charge of this activity, list of faculty members, details of the participating NGOs, number of members of the NGO expected to participate, copy of the invitation letter sent to the NGO, details of the activity planned and infrastructural support required at the Campus to Ms. Yvette Lee (mobile number -9819812019; email - yvette@mes.ac.in) by 20th of December 2023.

Please note that 3rd February 2024 is a non-instructional working day and all faculty members are required to be present for Community Service celebrations in the day OR Uber Rang event in the evening. A voluntary box collection may be circulated among students of the degree colleges and institutes of higher education. A contribution list may be circulated among teaching and non-teaching staff for their voluntary contributions. These funds will be used to defray the expenses of Community Service Day. The money collected from the voluntary contributions must be deposited with the Accounts department of the respective Institute and subsequently sent to Panvel Campus.

KINESTHESIA		
Senate Event	Session: 2023-2024	YEAR – I, II, III, V
Date: 5 th , 7 th , 8 th , 9 th February, 2024	Time: 8:30 a.m. to 3:00 p.m.	Semester: II, IV, VI, X
In charge:	Prof. Jayesh Patil and Prof. Ashwini Bhosale	
Coordinators:	Jill Mehta, Darsh Ranawat and Saloni Gangurde	

Welcome to the comprehensive report detailing the five-day workshop series orchestrated by the Student Council at Pillai College of Architecture. Designed to enrich the educational journey of our our students, the workshops featured a curated blend of hands-on activities, informative sessions, and expert-led discussions. Our aim was to provide a platform for students to expand their knowledge, develop practical skills, and establish valuable connections within the architectural community. Throughout this report, we invite you to explore the diverse range of topics covered, the engaging learning experiences shared, and the profound impact of collaboration and industry insight. As we navigate through each workshop session, we reflect on the collective efforts that made this event possible and anticipate the continued growth and innovation inspired by these enriching experiences. Join us on this enlightening journey through the transformative landscape of architectural education at Pillai College.

DAY 1

Lippan Art and Enamel art – 9:00 a.m. to 3:00 p.m.

Lippan Art- 9:00 a.m. to 12:30 p.m.

On 5th February.2024, a vibrant and engaging Lienad Art Workshop was conducted in our college premises by the esteemed Professor Vidya Apgolkar The workshop aimed to introduce students to the traditional art form of Lippan a decorative technique originating from the rural regions of Wester India, particularly Gujarat.

With an attendance of 83 enthusiastic students, the workshop promised to be an enriching experience for all participants. Following the introductory session, students were provided with materials essential for Lippan art, including day, straw, and mirrors. Professor Angolkar demonstrated the intricate techniques involved in creating Lippan artwork, from polding, the day to embedding mirrors strategically to reflect light and create stunning visual effects. Students were encouraged to actively participate, allowing them to explore their creativity and hone their artistic skills under the expert guidance of Professor Angolkar.

Enamel Art - 11:00 a.m. to 3:00 p.m.

Professor Kedar Sinde commenced the workshop with an illuminating overview of enamel art, tracing its historical significance and contemporary applications. The workshop garnered significant interest, attracting a total of 36 enthusiastic students. His insightful discourse provided participants with a comprehensive understanding of the medium's versatility and aesthetic possibilities. The workshop encompassed practical demonstrations and hands-on sessions, allowing students to immerse themselves in the enchanting world of enamel work. Professor Sinde meticulously guided participants through the fundamental techniques of enamel application. Participants were afforded the opportunity to experiment with diverse materials, color palettes, and firing processes, enabling them to express their creativity and explore innovative design concepts. Professor Sinde's patient guidance and expertise nurtured an atmosphere of learning and experimentation, fostering a conducive environment for artistic exploration and self-expression. The resounding success of the workshop underscores the enduring relevance and appeal of enamel art as a medium of artistic expression.

by Ms. Saraswati Patel
TIE DYE

TIME: 9:00am-12:30pm
DATE: 7th FEBRUARY
VENUE: FIRST FLOOR STUDIO

Tie-dye workshop was hosted by Ms. Sarawati Patel as part of an event at our college, which aimed to engage students in creative endeavors. The workshop, held recently, garnered considerable interest with 44 enthusiastic students participating in the vibrant activity. Under the guidance of Ms. Patel, the workshop focused on the art of tie-dyeing on T-shirts.

The workshop commenced with Ms. Patel providing a brief introduction to tie-dye techniques, emphasizing various methods and patterns that could be achieved. With her expertise, students were encouraged to unleash their creativity and experiment with different designs. The atmosphere buzzed with excitement as participants eagerly soaked their fabric pieces and meticulously twisted, folded, or bunched them to create unique patterns.

Throughout the workshop, Ms. Patel circulated among the students, offering personalized guidance and encouragement. Her hands-on approach facilitated a conducive learning environment where participants felt empowered to explore their artistic inclinations freely. As a result, students not only learned the technical aspects of tie-dyeing but also gained valuable insights into color theory and design principles.

The workshop concluded with a display of the finished tie-dyed creations, showcasing the diverse interpretations and imaginative designs crafted by the participants. The event proved to be a resounding success, fostering artistic expression among students. Participants left the workshop with a sense of accomplishment and newfound appreciation for the art of tie-dyeing.

Day 3

Brick Workshop- 9:00 a.m. to 3:00 p.m.

[Handwritten signature]

Kinesthesia Workshop Details

PICA SENATE - pica.senate@pca.ac.in
to Sasmit, Jayesh, Sushya, Acharekar

Sat, Feb 3, 6:25 PM (10 days ago)

Respected Sir,

PICA Senate student council is glad to announce that our annual fest of Kinesthesia is being conducted from 5th February to 9th February, 2024.

All of us are eagerly waiting for the event.

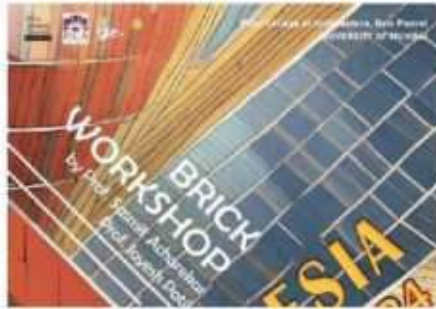

Saying this, I would like to inform you that the workshop of BRICK INSTALLATIONS for students of architecture, conducted by you, is scheduled on 8th February, 2024 from 9 a.m. to 3 p.m.

As a token of gratitude, a remuneration of ₹2500/- (Two thousand five hundred rupees only) has been approved by the college administration.

I request you to kindly reply to this email as a confirmation for our reference. Looking forward to your session.

Yours truly,

PICA SENATE

A brick workshop was conducted at our college as part of an event organized by Prof. Sasmit Acharekar and Prof. Jayesh Patil for students interested in construction and architecture. The workshop, which took place on 8th Feb 2024, attracted the participation of 53 enthusiastic students.

Throughout the workshop, students were engaged in practical demonstrations and interactive sessions that highlighted the fundamental principles of bricklaying and construction. Under the guidance of Prof. Acharekar and Prof. Patil, participants learned about the significance of bricks as a primary building material and gained insight into the intricate methods involved in their assembly.

The workshop featured a combination of theoretical discussions and practical exercises, allowing students to grasp the essential concepts of brick construction while also honing their practical skills. From understanding the different types of bricks to mastering the art of mortar application, participants were equipped with valuable knowledge that will undoubtedly serve them well in their future endeavors within the field of architecture and construction.

Moreover, the workshop fostered a collaborative learning environment where students had the opportunity to exchange ideas, share experiences, and seek guidance from seasoned professionals.

Respected Ma'am,

PICA Senate student council is glad to announce that our annual fest of Kinesthesia is being conducted from 5th February to 9th February, 2024.

All of us are eagerly waiting for the event.

Saying this, I would like to inform you that the workshop of LIPANART for students of architecture, conducted by you, is scheduled on 5th February, 2024 from 9 a.m. to 12:30 p.m.

As a token of gratitude, a remuneration of ₹2000/- (Two thousand rupees only) has been approved by the college administration.

I request you to kindly reply to this email as a confirmation for our reference. Looking forward to your session.

Yours truly,

PICA SENATE

On February 9th, 2024, a bamboo workshop organized by Architect Lalit Davate was conducted at our college premises, as part of an event aimed at promoting sustainable architecture and innovative construction techniques. The workshop garnered the participation of 31 enthusiastic students from various disciplines. The main focus of the workshop was to familiarize the participants with the versatility of bamboo as a construction material and to impart knowledge about its various construction techniques. Throughout the workshop, students engaged in hands-on activities where they learned to build small-scale structures using bamboo. Under the guidance of Architect Davate, students explored the structural properties of bamboo and discovered its potential in creating resilient and eco-friendly structures. They were introduced to the different types of bamboo and learned how to select and treat bamboo for construction purposes. Furthermore, the workshop provided insights into the traditional and contemporary methods of bamboo construction, including joinery techniques and structural design principles. Architect Davate shared his expertise and practical tips, emphasizing the importance of sustainability and environmental consciousness in architectural practices. The interactive nature of the workshop encouraged active participation and fostered a collaborative learning environment among the students. Through experimentation and exploration, participants gained valuable insights into the possibilities offered by bamboo as a sustainable building material.

 Treasurer General Secretary Student Council Joint Student Council Principal

In conclusion, the workshop series organized by the Student Council at Pillai College of Architecture has provided valuable learning experiences for students of all five years. Through practical activities and expert guidance, participants have gained new skills and connections within the architectural community. We anticipate the enduring impact of these experiences as students continue to apply and build upon their newfound knowledge.

SHIVJAYINTI

SENATE event	Session 2023-24	Years- II, III, IV,V
Date: 17 th February, 2024	Time: 4:00 p.m. onwards	Semester- II, IV, VI, X

SENATE in charge:	Prof. Jayesh Patil and Prof. Ashwini Bhosale
SENATE co-ordinator	Jill Mehta

Your text here 1

The Pillai Group of Institutions recently celebrated Shivjayanti on March 17, 2024, with a vibrant and engaging event that brought together students, faculty, and guests to honor the legacy of Shivaji Maharaj. The festivities began with captivating cultural performances by students, including traditional dances and recitations of powadas, which evoked a sense of pride and admiration for Shivaji Maharaj's valor and leadership. The venue was adorned with elaborate decorations, featuring portraits of eminent figures from Shivaji Maharaj's court, while orange flags symbolized courage and strength, adding to the historical ambiance.

A highlight of the celebration was the spirited performance by the Dhol Pathak, whose rhythmic beats echoed throughout the campus, infusing the event with energy and excitement. Beyond the entertainment, the Shivjayanti celebration provided an opportunity for reflection and learning, as students and faculty engaged in discussions about Shivaji Maharaj's life and principles.

Overall, the Shivjayanti celebration at Pillai Group of Institutions served as a meaningful tribute to Shivaji Maharaj, fostering a deeper appreciation for our cultural heritage and inspiring attendees to embody the values of courage, resilience, and leadership exemplified by Shivaji Maharaj.

PILLAI COLLEGE OF ARCHITECTURE, New Panvel		
Marathi Diwas		
Senate Event	Session: 2023-2024	YEAR – I,II, III,V
Aim: To celebrate marathi diwas	Time: 3 p.m. Date: 1 st March, 2024	Semester: II, IV, VI, X
In charge:	Prof. Jayesh Patil, Prof. Ashwini Bhosale	
Coordinators:	Darsh Ranawat, Mrunmayee Sule	

Marathi Diwas Celebration at Pillai College of Architecture , New Panvel On 1st March 2024, Pillai College of Architecture hosted a vibrant celebration to commemorate Marathi Diwas, organized by the Student Council. The event commenced with the esteemed presence of the college Principal Dr. Sudnya Mahimkar and senior faculty members, who inaugurated the ceremony through a traditional lamp lighting ritual.

The festivities delved into the rich heritage of the Marathi language, enlightening attendees about its origin and significance. Students showcased their cultural fervor through dynamic dance performances set to melodious Marathi tunes, captivating the audience with their rhythmic movements. The program featured a poignant skit and Powada dedicated to the legendary Chhatrapati Shivaji Maharaj, paying homage to his valor and legacy. Faculty members actively engaged in the event, with Prof. Maoshmi, Prof. Suvarna Thakare and Prof. Shubhangi Bhide sharing evocative poems centered on architecture and the bonds of friendship. Adding a touch of humor and creativity, second-year student Ms. Rudrani Gondale delivered a captivating monoact, drawing laughter and applause from the audience. Ms. Pranjal Patil contributed a heartfelt poem, showcasing her poetic talent and emotional depth. The culmination of the event was marked by a graceful dance performance by fifth-year students, mesmerizing the audience with their skill and artistry.

The celebration served as a poignant tribute to Marathi culture and literature, fostering a sense of unity and pride among the college community. The Marathi Diwas celebration at Pillai College of Architecture was a testament to the institution's commitment to cultural diversity and enrichment, celebrating the linguistic and artistic heritage of Maharashtra with enthusiasm and reverence.

M.E.S.		
PILLAI COLLEGE OF ARCHITECTURE, New Panvel		
Farewell		
Senate Event	Session: 2023-2024	YEAR - II, III, IV, V
Date: 7 th March, 2024	Time: 5:30 p.m.	Semester: III, V, VII, IX
In charge:	Prof. Jayesh Patil and Prof. Ashwini Bhosale	
Coordinators:	Jill Mehta, Sameer Pawar	

The farewell event for our esteemed seniors was a memorable occasion that brought together students, faculty, and staff to celebrate the culmination of their college journey. Organized by the third-year students, the event was a heartfelt tribute to the departing seniors, honoring their contributions and cherishing the memories created over the years. Before the dinner, a class photograph of the seniors was taken, capturing the essence of their time together and serving as a timeless memento of their college experience. On stage, each senior was presented with a memento, accompanied by unique songs that resonated with their individual experiences and personalities, adding a personal touch to the farewell.

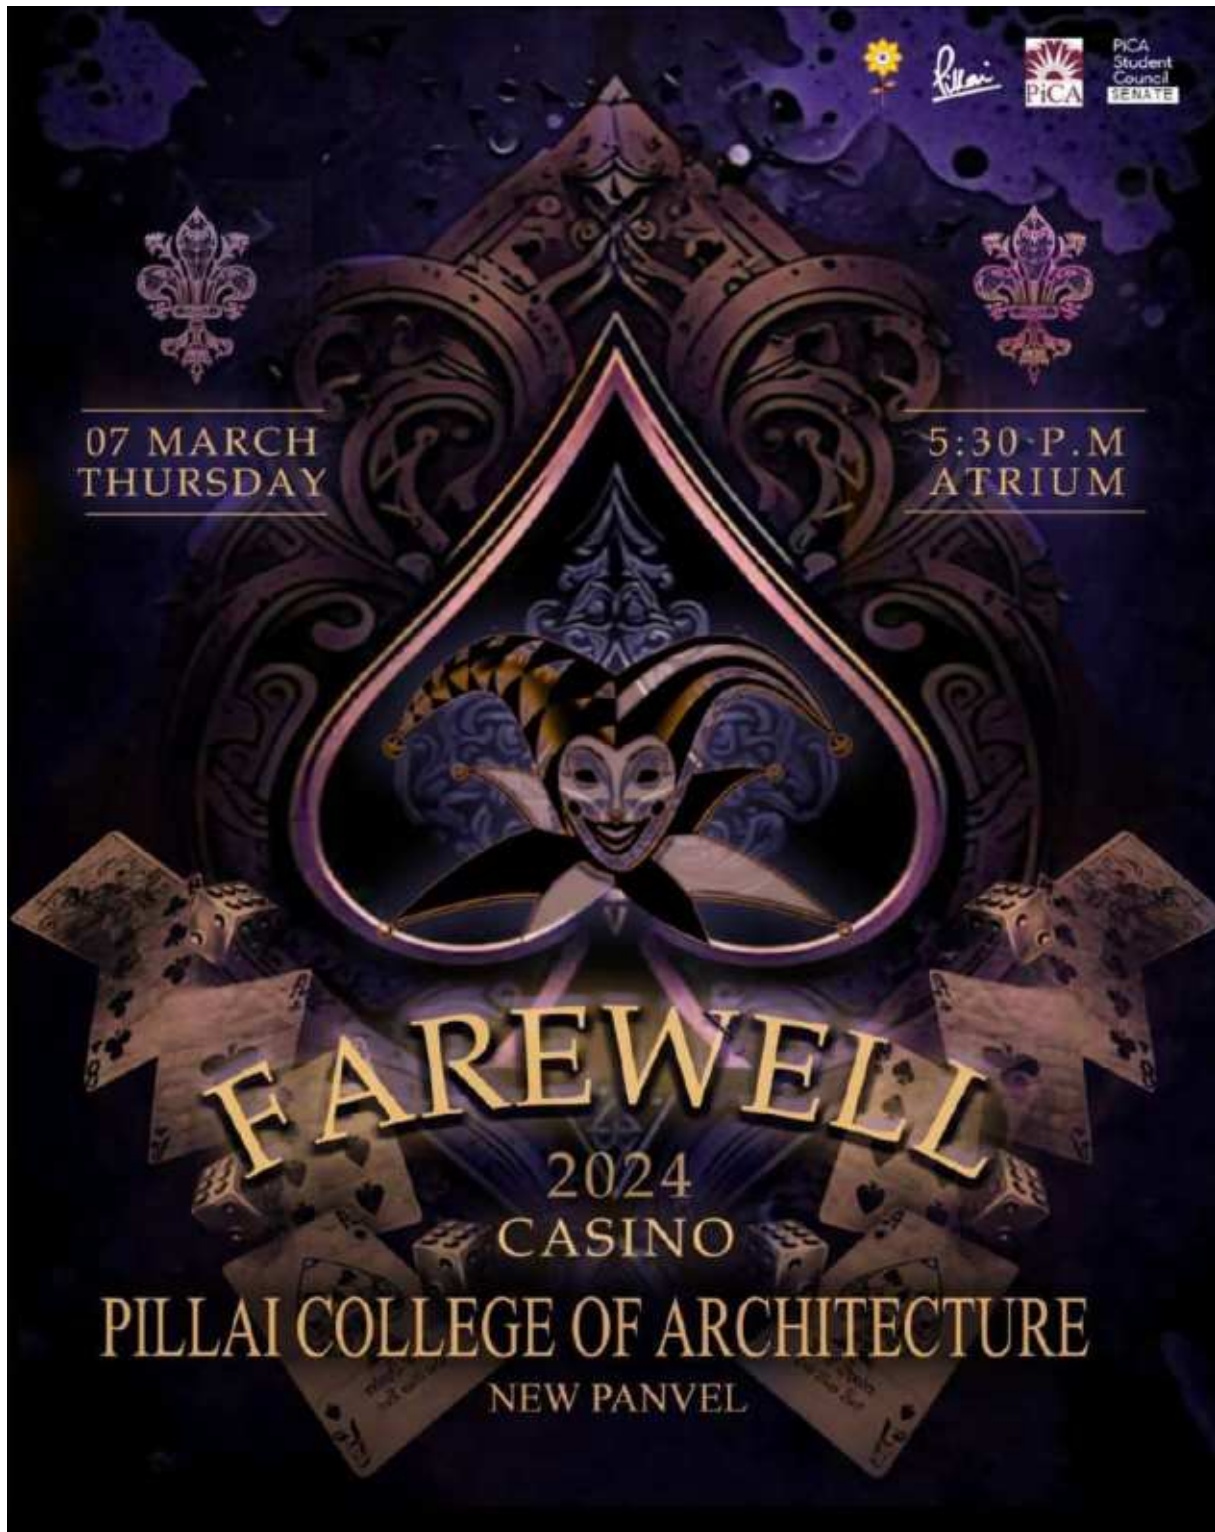

The atmosphere was vibrant and filled with excitement as first and second-year students showcased their talent through captivating dance performances, setting the stage for an evening of celebration. Amidst the festivities, a soulful singing performance further enriched the evening, filling the air with melodious tunes and heartfelt emotions. The third-year students, who hosted the event, ensured its seamless execution, creating a warm and welcoming environment for everyone present.

A poignant highlight of the evening was the screening of a movie crafted to capture the cherished memories and experiences shared by the departing fifth-year students, evoking emotions of nostalgia and gratitude among the audience. Following the event, a delightful dinner provided an opportunity for students, faculty, and staff to bid farewell to the fifth-year seniors, sharing laughter, stories, and heartfelt good wishes for their future endeavours.

As we bid farewell to our seniors, we reflect on the lasting impact they have had on our college community and express our gratitude for the friendships formed, lessons learned, and memories cherished. We extend our heartfelt wishes for success and happiness as they embark on new journeys, confident in the knowledge that they will always be valued members of our college family.

The 18th Lok Sabha elections were special, particularly for our youth who were turning 18. It would bring them an opportunity to make their voices heard as well as shape today's and tomorrow's politics. The Ministry of Education had organized a campaign "Mera pehla vote desh ke liye" from 28th February to 6th of March 2024 with the aim to ensure universal enlightened participation of youth in elections.

In view of the campaign, the Anubhuti team of Pillai College of Architecture had organized a gathering for taking up the voters pledge involving students of the 1st year along with faculties. The students of the first years were the youth who were to vote for the first time. The event was organized on the 12th of March 2024 in which all the first year students actively participated. The pledge was taken by all the students and Anubhuti team members along with the faculties.

The main objective of the initiative was to engage and encourage young voters to come out and vote and convey the importance of voting for the larger good of the nation. The initiative symbolized the importance of elections and the pride of voting in the largest democracy in the world.

Higher Educational Institutions (HEIs) across the country were supposed to take part in the drive. Designated spaces shall be identified in universities/colleges where the voters awareness relation activities will be undertaken by respective institutions. The initiative would witness both on ground physical events and online competitions on mygov platform.

PILLAI COLLEGE OF ARCHITECTURE, New Panvel		
Anubhuti Event- Plantation Drive (World Environment Day)		
Anubhuti Event	Session: 2023-24	YEAR - I, III, IV, V
The main objective of this campaign was to raise awareness and portray the importance of Mother Nature.	Time: 10:30 a.m. onwards	Semester: II, V, VII, IX
Anubhuti in charge:	Prof. Nitya Pratap, Prof. Suvarna Thakare	
Anubhuti coordinators:	Isha Sheikh, Kirti Bharambe	

Anubhuti, the social service wing of MES Pillai's College of Architecture, celebrated World Environment Day on June 8th, 2023, by organizing a plantation drive to raise awareness about the importance of protecting and preserving nature.

The event aimed to promote a sustainable lifestyle and a pollution-free environment, emphasizing the need to save our planet for future generations.

In the event, students were encouraged to inculcate a sustainable lifestyle. They were also encouraged to plant more trees for a pollution-free environment moreover to save the planet.

A total of 90 students from the 2nd, 3rd, and 4th years of B. Arch and around 15 members of the teaching staff attended and participated in the plantation drive. The event was also graciously attended by Dr Sudnya Mahimkar Madam, the principal of PICA. The event started at 10:30 a.m. with Dr Sudnya Mahimkar, principal of PICA, planting a sapling. This was then followed by sapling plantation by the faculties, non-teaching staff, and the students of PICA as well.

PICA ANUBHUTI WISHES YOU

World Environment Day

“On World Environment Day, let us stop harming nature, let us stop polluting it... Let us join hands to bring a positive change to make Planet Earth a much healthier, greener and happier place to live.”

Please join us in the plantation drive

FRIENDSHIP DAY EVENT

SENATE event	Session 2023-24	Years- II, III, IV, V
Date: 11 th August	Time: 3:30 p.m. onwards	Semester- III, V, VII, IX

SENATE in charge:	Prof. Jayesh Patil and Prof. Ashwini Bhosale
SENATE co-ordinator	Jill Mehta, Sameer pawar & Satyajeet Suryawanshi

Pillai College of Architecture, New Panvel witnessed Friendship Day celebration full of enthusiasm and fun from 3:30 p.m. onwards in first floor studio. It was resounding success bringing together Students of all the years celebrate the spirit of camaraderie and companionship. The event was marked by a series of engaging activities and competitions that fostered bonding and friendship among the attendees.

The event began with an lively dance performance by 3rd year students. This was followed by an interactive fun activity which was ‘how well do you know each other’ where the hosts asked questions describing a person and students guess who that person was. Later, students of 2nd year performed an energetic remix dance. This was followed by another fun game with balloon. Attendees of all years participated enthusiastically, strengthening their relationship while having fun. The students dressed up keeping a theme of each class which was showcased with a ramp walk

The event also featured a panel designing competition and video editing competition with a theme of “friendship” between the vertical classes. The event was a testament to the power of friendship in bringing people together, transcending differences and promoting a sense of unity. As participants laughed, danced, and competed side by side the true essence of Friendship's Day was vividly captured. The prizes were bestowed to the winners and cheers filled the room. The event unfolded with hosts thanking everybody’s presence and making the event memorable.

Independence Day Event		
M.E.S event,PiCA event	Session: 2023-2024	YEAR - II , III, IV, V
Date: 15 th August, 2023.	Time: 8:00 am onwards	Semester: III, V, VII, IX

In charge:	Prof. Jayesh Patil, Prof. Ashwini Bhosale
Coordinators:	Jill Mehta, Chaitanya Shelar

Pillai College of Architecture , New Panvel celebrated India's 76th Independence Day with great enthusiasm and patriotic fervor on 15th August,2023. The event aimed to instill a sense of pride, unity, and patriotism among the students, faculty, and local community. The day commenced with a dignified flag hosting ceremony. The attendees saluted the flag as the national anthem echoed in the air, creating a sense of unity and reverence. Following the flag hosting, an alumina of Pillai College delivered an inspiring and thought-provoking speech. The event featured a series of patriotic acts performed by students. These acts included skits, dances, and musical performances that depicted the struggle of independence. Students from Architecture Department was honoured to be the part of this event .The Independence Day celebration was a resounding success.

Sports Event : Fitness Day		
Senate Event	Session: 2023-2024	YEAR - II, III, IV, V
Date: 18th August, 2023	Time: 3.30 PM	Semester: III, V, VII, IX

In charge:	Prof. Jayesh Patil and Prof. Ashwini Bhosale
Coordinators:	Jill Mehta, Afreen Sabale and Ritesh Deshmukh

On 18th August, 2023 from 3:30 p.m. an exhilarating Fitness Day event took place at the Pillai College of Architecture, hosted in the Stilt Area of the campus. The event aimed to promote physical activity and healthy competition among the students. Various engaging activities were organized to cater to different fitness levels and interests.

The event began with an array of activities including pushups, speed tests, plank competitions, and even an arm wrestling challenge. These activities not only tested the participants' strength and endurance but also fostered a sense of camaraderie among the attendees. Students from all years, from 2nd to 5th, enthusiastically participated, showcasing their dedication to maintaining an active lifestyle.

In plank competition it was head to head competition of 2 nd year and 5 th year girls ,which was mind-blowing then arm wrestling were both the competitors were using there whole strength and the audience cheered noisily, all the students showed there sportsmanship.The friendly rivalry added an extra layer of excitement to the event, motivating everyone to push their boundaries and give their best performance.

Overall, the Fitness Day event at Pillai College of Architecture proved to be a resounding success. It united students from different academic years, encouraging them to embrace physical activity and healthy competition. The event not only highlighted the benefits of staying fit but also emphasized the significance of teamwork, determination, and pushing oneself beyond limits.

PILLAI COLLEGE OF ARCHITECTURE, New panel

ONAM CELEBRATION

SENATE event	Session 2023-24	Years- II, III, IV, V
Date: 25 th August	Time: 3:30 p.m. onwards	Semester- III, V, VII, IX

SENATE in charge:	Prof. Jayesh Patil and Prof. Ashwini Bhosale
SENATE co-ordinator	Jill Mehta, Darsh Ranawat & Mrunmayee Sule

Onam, the traditional harvest festival of Kerala, was celebrated with great enthusiasm at Pillai College of Architecture on 25th of August 2023, from 3:30 p.m. onwards in the ground floor studio. The event showcased a vibrant blend of cultural performances, competitions, and ceremonies that brought together students from all years.

The celebration commenced with lamp lighting ceremony, symbolizing the dispelling of darkness and the arrival of light. This was followed with 2nd year students showcasing their vocal talents by performing traditional onam song.

Students from different years came together to present skit that highlighted the significance of Onam and its cultural importance. Subsequently, dance performances by 2nd, 3rd and 4th year contributed to the essence of festive atmosphere with their graceful moves and costumes.

One of the most anticipated events was the Pukalam (floral rangoli) competition. Teams from each year participated, showcasing their creativity and teamwork in designing intricate and colourful Pukalams. The celebrations also included a variety of games like musical chair that added a fun and competitive element to the event.

The Onam celebration was brought to end with a vote of thanks and photographs. The event not only celebrated Kerala's cultural richness but also encouraged inter-year interactions and camaraderie among the students.

CIRCULAR

All the students and faculty are invited to the celebration of the vibrant festival of Onam. The event will be held on 25th August 2023, in the ground floor studio starting from 3:30 pm onwards. We encourage the teaching and non teaching staff to wear traditional attire to add to the festive atmosphere.

M.E.S. PILLAI COLLEGE OF ARCHITECTURE, NEW PANVEL		
World Photography Day - Workshop 2023-24		
Online EVENT and Competition By Social Media Team and Photography Club	Session: 2023-24	Year: I,II,III,IV,V and open for other Architecture colleges
Date: 26th August 2023	Time : 10:30am - Online	Forum used: Google Meet

Faculty in charge:	Prof. Tushara Kaliyath
Coordinators:	Reia Vadakkan , Yutika Tawde , Rutuja Ingle, Prachi More, Komal Patil, Sanskruti Patil, Bhavin Bhotra and Leena Dhopawkar

On the Account of World Photography Day, Photography Workshop was organized for the year 2023-24, conducted online via Google Meet, aimed to introduce architecture students to the art of photography. The workshop conducted and Organized by Social Media Team, Photography Club and Senate for All the students of PiCA and Other colleges, which started at 10:30 am, began with a warm welcome from Professor Tushara Kaliyath and 2nd-year student Sanskruti Patil. They introduced the guest speaker, Mr. Mangesh Mhadavde, who shared his professional journey, setting the stage for an enriching learning experience.

Mr. Mhadavde's comprehensive presentation covered a wide array of essential photography topics. He started by explaining the fundamentals of photography, including concepts like aperture, shutter speed, ISO, and composition. This foundational knowledge provided participants with a solid understanding of how these elements interact to create compelling images.

Participants were then introduced to various camera types, from DSLRs to mirrorless cameras, and learned about essential accessories such as lenses, tripods, and filters. This insight into camera equipment equipped them with the necessary tools to enhance their photography. Exposure control was a key focus of the workshop. Attendees gained proficiency in adjusting settings like aperture, shutter speed, and ISO to achieve their desired photographic results. Additionally, they explored composition techniques, including the rule of thirds, leading lines, framing, and perspective, all vital for creating visually appealing images.

Understanding the role of lighting in photography was another critical aspect covered during the workshop. Participants delved into different types of lighting, from natural to artificial and studio lighting. Techniques for manipulating and controlling light to achieve specific effects were also discussed.

The workshop introduced participants to various camera modes, including manual, aperture priority, shutter priority, and program mode. This knowledge empowered them with creative control over their camera settings and photography. Post-processing was another significant topic covered. Participants learnt how to edit and enhance their photos to unlock their full potential.

Lastly, the workshop explored different photographic genres, such as portrait, landscape, interior, commercial, macro, street, and wildlife photography. This allowed participants to explore their unique interests and preferences within the diverse world of photography.

One of the workshop's highlights was the interactive session where Mr. Mangesh Mhadavde encouraged Students to share their doubts and work with the group. This provided a valuable opportunity for participants to receive feedback from both the instructor and their peers, fostering a spirit of continuous improvement in their photographic skills.

The World Photography Day Workshop concluded with heartfelt thanks from Professor Tushara Kaliyath and 2nd-year student Sanskruti Patil to Mr. Mangesh Mhadavde for his expert insights and invaluable contributions. The workshop left participants inspired and well-equipped to explore and excel in the art of photography, a valuable skill for future architecture professionals.

The Workshop was free for PiCA students and Registration Fees of 100rs was for other college students.

PILLAI COLLEGE OF ARCHITECTURE, New Panvel

Anubhuti Event- Raksha Bandhan

Senate Event	Session: 2023-2024	YEAR - II, III, IV, V
Aim: To celebrate Raksha Bandhan festival.	Time: 10:00 a.m. Date: 31 st August, 2023	Semester: III, V, VII, IX

In charge:	Prof. Suvarna Thakare
Coordinators:	Isha Sheikh, Unnati Desale

Raksha Bandhan, a joyous festival celebrating the bond between brothers and sisters, was celebrated with great enthusiasm at Pillai College of Architecture, New Panvel. On 31st August, celebration was made even more special as we were honored to have lady police officers as a guest of honor. The event was a wonderful blend of tradition, respect for law enforcement, and the spirit of togetherness. Several lady police officers from the Khandeshwar police department were invited to be part of the celebration. They were welcomed with traditional ceremonies and were deeply moved by the students' gesture. The Raksha Bandhan celebration at the college aimed to break gender stereotypes and promote a sense of unity and gratitude. Male students enthusiastically took the lead by choosing to tie rakhis to the lady police officers who were invited as special guests. The lady police officer shared their experiences and provided inspirational messages to the students. They encouraged the young minds to consider careers in law enforcement and emphasized the importance of breaking gender stereotypes. The Raksha Bandhan celebration at Pillai College of Architecture, where both male and female students tied rakhis to lady police officers, was a remarkable and progressive event. It demonstrated not only the preservation of the festival's traditional essence but also the promotion of gender equality, respect, and inclusivity in our society. The event left a profound impact on everyone present, highlighting the significance of breaking stereotypes and fostering unity and gratitude in our celebrations and community.

To,

The Principal,
Pillai College of Architecture,
New Panvel.

Subject: Organizing Hemoglobin test camp for school Girls and their Mothers/eligible Sisters under "Anemia Mukh Bharat" project of Bharat Vikas Parishad and parallelly conducting CPR Training in batches.

Respected Madam,

Further to the Understanding developed with your esteemed Institute, we wish to organize the above camp in your college premises on the 6th September, 2023 at a mutually convenient time schedule.

The basic need of conducting the camp are as under...

- You will kindly provide your covered Assembly Area/Hall for the Camp with 6 Tables & 18 Chairs.
- Sufficient Electric Power Points close to the Tables.
- You will please ensure that at least 500 Screenings are done in this camp. All the girl students, teaching and non-teaching Lady staff can participate in the camp.
- Aadhar Card for each beneficiary, including Students is a MUST.
- The beneficiaries who will be found Anemic, shall be given Free Iron Supplements for two months. It is to be made sure that they attend the Secondary Hb Test camp to be conducted, only for them, after two months.

We would also like to use this opportunity to conduct a CPR Training to the students to cope up with Cardiac emergency during any public functions. We would further like to promote our Flagship project "Plastic Mukh Vasundhara" by distributing Free Cotton Shopping Bags.

Your kind confirmation of the schedule by acknowledging it on the copy of this letter will be highly appreciated. In case of any queries, you may please contact the undersigned.

With warm Regards,

Dr Kirti Samudra,
[Signature]
President, Bharat Vikas Parishad, Panvel Branch.

Date: 30.08.2023

Subject: Organizing hemoglobin test camp in Pillai College campus, along with CPR training.

Respected Madam,

Initially, we extend a sincere appreciation for initiating an activity as per the understanding developed between BVP and PICA, and organizing the hemoglobin testing camp and CPR training in our premises.

We hereby validate our interest in hosting the camp on our campus, scheduled for September 6th, 2023, commencing at 9 am. Necessary provisions for the successful execution of the camp will be furnished according to requirements. We request you to provide the registration forms as soon as possible, to streamline the process on the event day.

With warm regards,

Mahimkar

PRINCIPAL
PILLAI COLLEGE OF ARCHITECTURE
Dr. K. M. Vasudevan Pillai Campus,
10, Sector-16, New Panvel-410,206

The Women Development Cell of Pillai College of Architecture initiated an Anemia Mukht Bharat campaign in collaboration with Bharat Vikas Parishad and SIBC, along with PiCA Anubhuti and PiCA Senate members. On September 6th, 2023, an event was organized exclusively for all the women within the Pillai campus, including female students, teaching and non-teaching staff, as well as all female support staff.

Departments such as PCE, PCACS, PIMSR, Pillai Institute of Languages, Pillais Institute of Mass Media, and Pillai's Institute of Fashion Technology were warmly invited to participate in the hemoglobin testing camp and CPR training.

Dr. Kirti Samudra, President of Bharat Vikas Parishad, along with a team of 10 doctors, arrived at the venue on the event day. The venue was prepared according to the BVP coordinator's requirements and was ready for the significant event. The camp commenced at 8:45 am with a large number of female participants. The venue featured a registration desk for pre-registration, three blood testing stations, a medicine prescription desk, a remedial food distribution desk, and a reusable cloth bag distribution desk. Participants were given reusable bags and pledged to avoid using plastic bags as a step towards "Plastic Mukht Bharat," another flagship project by Bharat Vikas Parishad.

Dr. Kirti Samudra personally counseled the participants, emphasizing the importance of maintaining healthy hemoglobin levels. Each participant received chickpeas and jaggery packets, known for their efficacy in boosting hemoglobin levels.

Once their hemoglobin testing was completed, participants were directed to the CPR training conducted on the ground floor by an experienced team of doctors. CPR training proved to be a valuable initiative for handling emergencies.

The camp received an overwhelming response from students across various departments. Student council members played a pivotal role in ensuring the camp's smooth operation, guiding students in batches, and providing support to those who were apprehensive.

The teaching faculty, non-teaching female staff, and support staff also turned out in significant numbers to participate in the camp. Dr. K.M. Vasudevan, the founder of the institution, attended the camp, underwent hemoglobin testing, and encouraged all participants to prioritize their health, as they represent the future inspirers of the country. He commended the organizers for their dedicated efforts.

The guests were honored by Dr. K.M. Vasudevan, Dr. Sudnya Mahimkar, and Prof. Shubhangi Bhide. The program concluded with a vote of thanks to all the guests and the organizing committees. The camp was a tremendous success, with approximately 715 hemoglobin tests and CPR training sessions completed.

PILLAI COLLEGE OF ARCHITECTURE, New Panvel		
Anubhuti Event- Clean Air for Blue Skies		
Senate Event	Session: 2023-2024	YEAR - II, III,
Aim: To raise awareness on the problems faced due to increasing pollution and introduce ways to prevent the same.	Time: 2 p.m. Date: 15 th September, 2023	Semester: III, V
In charge:	Prof. Suvarna Thakare	
Coordinators:	Isha Sheikh, Unnati Desale	

The "Clean Air for Blue Skies" campaign was a commendable social service event organized by the Anubhuti team of Pillai College of Architecture. The event was conducted in the R. Z. P. School in Azudgaon and was attended by 50 of the children of the school and 15 volunteers and 2 faculty members from Pillai College of Architecture. This initiative showcased the dedication of the team members to promote environmental awareness and engage with the community in a meaningful way. The participation of college students in such events is crucial in creating a positive impact and inspiring future generations to care for our environment. The core of the event involved conducting poster making competitions among the 4th-grade students. All necessary materials, such as colors, pencils, and papers, were provided to the participants. Alongside the poster competition, the students from Pillai College of Architecture delivered a short, informative presentation to educate the young participants about the significance of clean air, the consequences of pollution, and practical ways to help improve air quality. To recognize the efforts and creativity of the participants, certificates were distributed to all students who took part. Additionally, prizes were awarded to the winners of the poster making competition, encouraging their enthusiasm for environmental awareness. This event not only engaged students in a creative and educational way but also fostered a sense of responsibility toward the environment, ensuring a brighter, cleaner future for all.

M.E.S.		
PILLAI COLLEGE OF ARCHITECTURE, New Panvel		
Anubhuti Event- Swachhata Campaign		
Senate Event	Session: 2023-2024	YEAR - III
Aim: To encourage and participate in keeping our surroundings clean and pollution-free.	Time: 10:00 AM onwards Date: 1 st October, 2023	Semester: V
In charge:	Prof. Suvarna Thakare	
Coordinators:	Isha Sheikh, Unnati Desale	

On the occasion of Gandhi Jayanti, Pillai College of Architecture organized a road cleaning drive on the streets of New Panvel. The event aimed to pay tribute to Mahatma Gandhi's ideals of cleanliness and community service, promoting a cleaner and greener environment. The event began at around 10 a.m and ended at around 11 a.m once the targeted streets were decently cleaned. The cleanliness drive began with an extensive clean-up drive, focusing on the main streets and public areas of New Panvel.

Around 28 participants along with 1 faculty member participated in the drive and the participants were divided into teams and equipped with brooms, trash bags, and cleaning supplies.

The event succeeded in creating awareness about cleanliness and the need for active community participation in maintaining public spaces. A significant amount of litter and garbage was collected and properly disposed of during the clean-up drive. The event exemplified the enduring importance of Mahatma Gandhi's ideals in today's world and served as a testament to the power of community action.

PILLAI COLLEGE OF ARCHITECTURE , New Panvel

DESIGN COMPETITION REPORT : BRIDGE TO NATURE

Subject :		Session : 2023-24		Year :	
Course code:	Credits :	Semester :	No of Periods per week :		

INTRODUCTION

This design competition was organized by D.Y. Patil college of Architecture, Nerul. The theme of the competition was "Bridge to Nature", which was focused on the transformative power of connecting with nature through innovation and sustainable designs and was floated on 26th May,2023.

The competition threw a challenge to the students of Design, Architecture, Art, Engineering, Planning as well as from other disciplines to come together to reimagine and propose the Architectural or Landscape design proposals as the "Bridge connecting Humans to Nature" set in diverse regional contexts of the Indian subcontinent.

Two teams from Pillai college of Architecture participated in the competition.

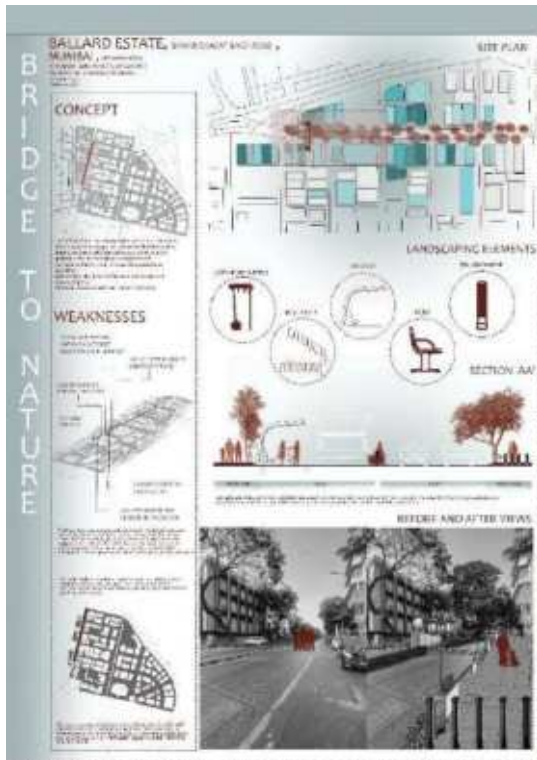

1. Ms. Nidhi Salagare
2. Ms. Roshni Tiwari & Mr. Suryateja Mutta

The students had to submit Architectural drawings, sketches, models, visuals, or any additional information necessary to communicate the design intent.

The results were announced on 10th July, 2023.The work of both the teams was appreciated and got Honorary Mentions in the competition.

Concerned Email Communication for announcement of prizes.

Dear Honorable Members of the Jury, THE SECURITY CORPORATE LTD. info@securitycorporate.com | www.securitycorporate.com

Ravi Kulkarni ravi.kulkarni@secorpltd.com

Sub: HEARTY CONGRATULATIONS TO THE WINNERS!

Dear Sirs,

We thank you for the award of the 1st Prize for the design of the 'BRIDGE TO NATURE' at Ballard Estate, Mumbai. The Award is worth INR 1,00,000/-.

Prize money:
From: The Pillai College of Architecture, Mumbai
Date: 15th Aug 2023, 11:00 AM
To: Ravi Kulkarni, The Security Corporate Ltd.

Dear Honorable Members of the Jury,
I am writing to you regarding the award of the 1st Prize for the design of the 'BRIDGE TO NATURE' at Ballard Estate, Mumbai.

Message from the Pillai School of Architecture, New Mumbai:
We are happy to announce the results of the 'Bridge to Nature' at Ballard Estate Design Competition 2023, Mumbai. The award is given to the design of the 'BRIDGE TO NATURE' at Ballard Estate, Mumbai. We received a number of entries from students, which we evaluated through a jury of experts and architects. We are pleased to announce that the design of the 'BRIDGE TO NATURE' at Ballard Estate, Mumbai, has been selected as the winner. It was a pleasure to see the creativity and innovation of the students, which was highly appreciated by our esteemed jury members.

The Winner:
The winner is listed in the Annexure: LIST OF THE WINNERS OF THE DESIGN COMPETITION AT BALLARD ESTATE, MUMBAI, ON 15th AUG 2023.

1st Prize: Cash 1,00,000/- (INR 1,00,000/-) & Award presentation to VISHVA 2023, College of Architecture, Mumbai, Pune, India.

2nd Prize: Cash 75,000/- (INR 75,000/-) & Award presentation to VISHVA 2023, College of Architecture, Mumbai, Pune, India.

3rd Prize: Cash 50,000/- (INR 50,000/-) & Award presentation to VISHVA 2023, College of Architecture, Mumbai, Pune, India.

Dear Honorable Members of the Jury, THE SECURITY CORPORATE LTD. info@securitycorporate.com | www.securitycorporate.com

Honorable Members of the Jury

MINIMAL DWELLING Competition 2023-24		
Online Design Competition		Session: 2023-24
		Year: III
Date: Friday, 30th June, 2023	Results: Mon, Oct 9th, 2023	Forum used: Online

Faculty in charge:	Prof. Tushara Kaliyath
Coordinators:	Prof. Smita Dalvi, Prof. Shubhangi Bhide, Prof. Ajita Deodhar, Prof. Neha Sayed, Prof. Jui V. Choughule, and Prof. Neha Deshpande

The Minimal Dwelling 2023 competition, hosted by Archiol, is a prestigious architectural design competition that challenges participants to explore and create innovative solutions for minimalist housing. The competition invites architects, designers, and creative thinkers from around the world to envision and design dwellings that prioritize minimalism, simplicity, and sustainability. The Competition was introduced as part of Design Esquisse in Sem V Architectural Design Studio, encompassing a two-week academic program.

Participants are tasked with reimagining the concept of a dwelling space in a way that maximizes functionality and comfort while minimizing environmental impact and resource use. The competition encourages the exploration of compact, efficient, and aesthetically pleasing designs that can adapt to various settings and living conditions.

Designers are expected to address critical issues related to housing, such as affordability, space optimization, and environmental considerations. The competition aims to inspire fresh perspectives on housing design and promote innovative solutions for the future of living spaces. It attracts a diverse array of talented individuals and teams who compete to showcase their creative vision and architectural skills in the realm of minimalism.

In the highly competitive Minimal Dwelling 2023 competition, organized by Archiol, some outstanding design teams and individuals showcased their architectural prowess. Among the impressive Top 15 shortlist, PiCA, achieved notable recognition with Four of its teams making the cut. The teams included Sameer Pawar, Diksha Wavhal, Praveen Naik, and Sanjana Kamiseti, Bharambe Kirti and Chiara Karnik, and Janhavi Kankale, Rima George, and Shrushti Omble. Their innovative designs and creative approaches stood out in the competition, earning them a well-deserved spot among the top contenders. Additionally, Mrunal Khandare and Atharva Velhal were also awarded a Special Mention for their

exceptional design to the competition, further solidifying the presence of PiCa's extraordinary talent in the field of minimalist dwelling design.

DESIGN INTENT

THE CUARC HOUSE

"Minimalism is about taking away, but also about giving back."

- John Pawson

A family who recently escaped city life for peace and nature wants a simple and functional home. Designing a minimal house for a family of 3 consists of Mr. Smith is a homemaker and loves cooking, Mrs. Smith is self-employed (a digital artist) and works from home full time, and their daughter is home-schooled. This house is their way of gaining more control over their lives by embracing a simple lifestyle

This design focuses on creating a strong indoor-outdoor connection with a seamless blending of minimalism, vaulted spaces, arches, and a strong indoor-outdoor connection. The aim is to embrace simplicity, optimize functionality, and celebrate the interaction between built and natural environments

The design embraces simplicity through clean lines, neutral tones, and an uncluttered design. As structural elements, vaults add grandeur and efficiency. Arches serve as transitions and aesthetic features, showing elegance. The focal point is a fluid indoor-outdoor connection achieved by extensive blurring the distinction between interior and exterior spaces. The indoor-outdoor connectivity of the house is a key feature that allows the family to seamlessly transition between the interior and exterior spaces of the house. This feature is particularly beneficial for the family, as it enables them to enjoy the natural surroundings and the fresh air while still being within the confines of their home.

Natural materials like wood, stone, and concrete are employed to maintain authenticity, while furnishings follow a minimalist approach with functional, textured pieces and integrating landscape, outdoor kitchen, garden spaces into the design to enhance the outdoor experience more. Ultimately, the design harmonizes these elements to craft a space that fulfills the needs of the family and deepens the connection between the minimal approach and nature.

THE CUARC HOUSE

SITE

The site is located in Pali, Maharashtra, India.
The site is away from the city but not too far and can be easily accessible from cars

SITE CLIMATE AND MICRO CLIMATE

Southwest to northeast flowing winds
Longer facade facing north and shorter placing in East and West to incorporate natural light and for natural ventilation
Providing more trees in the south west part to keep the surrounding cool during summer
Providing openings at the west side for the cooling effect from the existing natural body.

USER STUDY

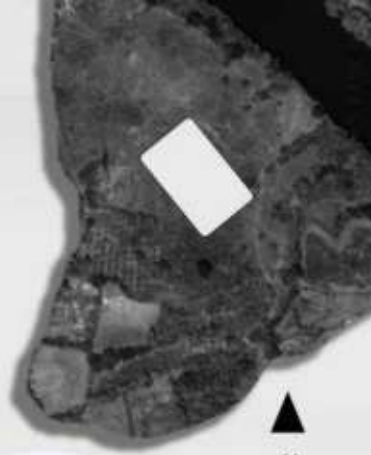

Family of 3
Mr smith is a homemaker and loves cooking
Mrs smith is a graphic designer
Their daughter of 3 years needs to be homeschooled and needs play area

CONCEPT

To increase and maintain a close relationship with the surrounding by integrating indoor and outdoor spaces.

SITE SURROUNDING

There are existing residential buildings from the village and also famous Ganpati temple called Ballashewar Maha Ganpati
Providing balcony at the viewpoints for scenic views creating a deck area which can be termed as multipurpose since it can also be used as outdoor dining

AXONOMETRIC VIEW

NIRVANA- A PLACE OF PEACE AND HAPPINESS

NIRVANA offers an idyllic escape, away from chaotic urban life. Nestled amidst the lush green forests of Kerala, alongside the Devikulam Lake, it harmoniously engages with the surrounding natural elements and adjusts to the local climate conditions.

This design seamlessly fuses minimalism with the essence of traditional vernacular architecture of Kerala, India. Spanning 350 sq. m. floor area; the residence is tailored to meet the lifestyle needs of a family: Mr. Smith, Mrs. Smith, and their young daughter.

The architectural layout adopts a clean T-shaped configuration. The central block houses a communal zone, featuring a harmonious convergence of the living room and kitchen. On either side of this central hub, two discrete blocks encompass the bedrooms, creating a balanced sanctuary of personal space.

A distinct feature is the elevated mezzanine floor, which is a multi-functional area. From hosting cherished family gatherings to facilitating home-based education and nurturing artistic pursuits, this elevated area caters to a spectrum of activities.

CONCEPT:

- Minimizing the use of walls by incorporating the use of level differences that separate two zones.
- Provision of vertical louvers and pivoting walls which acts as a passive design strategy to let in maximum daylight and ventilation.
- Split roofs, inspired by the traditional architectural style of Kerala.

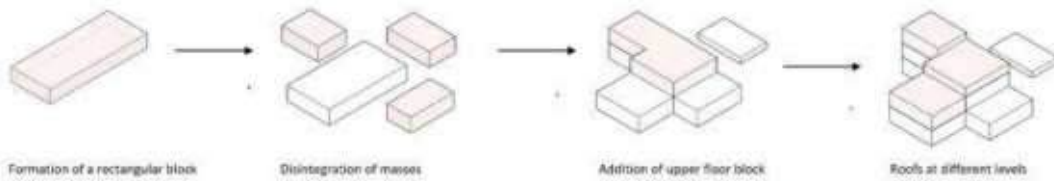

KEY FEATURES:

- A 300 mm level variation discreetly distinguishes the open kitchen from the living room, creating defined zones. Designed with Mr. Smith's culinary enthusiasm in mind, the open kitchen allows him to immerse himself in his passion while maintaining a watchful eye over the key areas, especially the children's bedroom, fulfilling supervision needs.
- The living room provides access to yards featuring organic kitchen gardens, lovingly tended by Mr. Smith, with the added benefit of rich alluvial soil.
- The kitchen offers a view of the lake through a central cut-out that seamlessly extends to the adjoining deck area.
- Both bedrooms are provisioned with essential user amenities. The master bedroom extends to a private porch zone, converging at a central deck, creating a captivating space for interaction with serene views.
- Both rooms also extend to the front yards, which serve as a play area for the young ones or family sit-outs.
- Mrs. Smith, a digital artist, has her personal workspace on the porch of her room, which overlooks the expansive lake, offering her an endless well of inspiration for her creative pursuits.
- A separate children's bedroom with a study area for their daughter.

SECTION BB'

The Moving House,

A "House on the Wheel" refers to a unique architectural concept where a residential structure is designed with the capacity to separate and isolate each individual room. This innovative design aims to offer enhanced flexibility and adaptability to the living space. Each room within the house is equipped with the ability to function independently, allowing residents to modify the layout of the house according to their specific needs and preferences. This concept is driven by the desire to optimize space utilization and accommodate changing requirements within a single dwelling. The "House on the Wheel" concept represents a novel approach to residential design, prioritizing versatility and personalization while offering a new level of spatial freedom within a home environment.

The motive behind giving a movable house is so that being in isolation from the rest of the people, the Smith family can enjoy a different view, different layout of the house, and add a fun element in their quiet and peaceful lifestyle.

This house can also give them privacy from each other during their work time, which can help them to focus on their individual work.

The options are in such a way were

1. Mr. Smith can move kitchen towards the spices garden to cooking using his organic farming
2. The library can be isolated from the house so that the daughter will be away from television in the house.
3. The office can move towards west or east to watch the sunrise and sunset while working.

Any two rooms can be attached whenever required like the office and Library so mother daughter can work and study together or Mr. Smith and Mrs. Smith can work right next to each other, so daughter's bedroom and library can be joined.

Many more options can be done as the family desires.

The mechanism of the house is in such a way where the house will be resting on the steel Section when it is not moving, and whenever the family wants to move it the wheel will be pushed down by using air suspension and lift the house up for the

movement to happen. After moving the house to the desired location, the wheel will be retracted and the house will again rest on the steel Section so that it will be stable.

Materials used for building are

1. Tires
2. Air Suspension bars
3. Steel Sections
4. framework for the types
5. Steel bars
6. SIP (Structural Insulating Panel) so that the walls and overall structure will be light weighted so that it will be easily lifted up on the wheels and move easily)

Concluding our structure,

Thank you

Mrunal Sunil Khandare,

Atharva Dheeraj Velhal.

M.E.S.	
PILLAI COLLEGE OF ARCHITECTURE, New Panvel	
Workshop	
Earthquake Resistant Practices for Undergraduate Students of Architecture	
Date: July 22-29, 2023	Venue: IIT Kanpur

Students Participants	<ol style="list-style-type: none"> 1. Vidula Ghodekar 2. Purva Lade 3. Shivangi Talvalkar 4. Sakshi Kully
------------------------------	---

OVERVIEW

A week-long workshop which commenced on 22nd July was held at IIT Kanpur by NICEE for students of architecture. The workshop's main objective was to increase students' awareness of earthquake safety issues and to provide them with a conceptual understanding of earthquake-resistant design. Four students from the fourth year of Pillai College of Architecture were selected to be part of this.

Students were encouraged to internalize earthquake-resistant approaches as essential elements of their design decision-making through lectures and practical studio sessions centered on a design assignment. Experts in the fields of architecture and structural engineering made up the resource faculty for the workshop, which aimed to closely resemble real-life architectural practice. Each chosen participant received a copy of the NICEE publication "Earthquake-Resistant Confined Masonry Construction," written by Svetlana Brzev and Keya Mitra, prior to the training. Before attending the session, it was suggested to the attendees that they read the book.

PROGRAM

The first two days consisted of various informative lectures. by Dr. Hari Kumar, Dr.Vasudha Gokhale, and Dr. Keya Mitra. They presented the subjects concerning earthquakes and their effects across the spectrum. Each day ended with a fun quiz. Students got the opportunity to visit the civil engineering that dealt with earthquake management. A design problem was introduced later on the third day.

The usage of Confined Masonry in the construction of the IIT Gandhinagar Hostel was also discussed in detail by Pune-based practicing architect Ar. Vikram Hundekar. Famous experts including Dr. Shailesh Agarwal, Executive Director of BMTPC in New Delhi, spoke about the "Vulnerability Atlas of India," and Dr. Hari Kumar from Geo Hazards in New Delhi gave a presentation on several earthquake-related topics.

GUEST SPEAKERS

Other prominent academicians from universities across the country served as resource people for the workshop, including Prof. Keya Mitra from IEST Shibpur, Prof. Vasudha Gokhale Prof. Sujata Mehta, and Prof. Meera Shirolkar from Dr. B.N. College of Architecture for Women in Pune, Prof. Atanu Dutta from Jorhat Engineering College, Prof. Ruchira Das from Women's Polytechnic Chandannagar, Prof. Bhavana Vimawala along with Nehal Desai from Sarvajanik University in Surat.

DESIGN PROBLEM

The design challenge for the workshop was to develop a co-working office complex in Guwahati, the largest city in the state of Assam and a significant urban center in northeastern India. The National Building Construction Corporation (NBCC) suggested using this location as a trade center. The aim for the participating students, divided into thirty groups of two students each from various institutions, was to provide a design proposal that struck a balance between use, structural integrity, and aesthetics. Innovative design strategies were welcomed, but the main goal was to evaluate how well they understood earthquake-resistant architectural principles and how to apply them to a real-world design project.

EVALUATION

The proposals designed by the participants were judged by a jury panel made up of professionals including Ar. Balbir Varma from New Delhi, Ar. Vikram Hundekar from Pune, Prof. Meenu Varshney from NIT Jaipur, Prof. Mayank Varshney from VIT Jaipur, and Prof. Vaibhav Singhal from IIT Patna. The Jury Board initially picked six designs that successfully incorporated earthquake-resistant measures without sacrificing other essential factors like functionality and environment.

The jury was specifically looking for a thorough understanding of structural systems that could endure seismic loads.

And to everyone's joy, two students from Pillai College of Architecture namely, **Purva Lade** and **Vidula Ghodekar** in collaboration with Nimit Kartik Makwana, Inst. of Design Planning and Technology, Surat bagged the second prize here.

STUDENT - VEDIKA KADAM
FACULTY - AARTI MANKAME

The event held at Vaishnavi college of architecture in Hyderabad was highly significant as it focused on reimagining Hussain Sagar Lake in the city. The competition aimed to explore innovative ideas for the lake's revitalization, making it an important gathering for architectural and creative minds. Various colleges all across India participated in the competition.

On August 18th, 2023, the event took place at Vaishnavi college of architecture in Hyderabad, starting from 10:30 a.m. and concluding at 7:30 p.m. This was a second round of the competition, the shortlisted entries from the first round participated in this event.

The event drew a total of 33 attendees from 7 different colleges. The occasion commenced with a warm welcome to the jurors. The participating colleges presented their designs and explanations to the jurors, who evaluated the projects. The judges were renowned Architect & Urban Designer K T Ravindran, COA Director Jayasree Deshpande and Yeshwant Ramamurthy, principal architect of Studio One Architects.

At the event's conclusion, the winners were announced and the entry from Pillai College of Architecture secured the first position.

M.E.S. PILLAI COLLEGE OF ARCHITECTURE, NEW PANVEL		
World Photography Day Competition 2023-24		
Online EVENT and Competition By Social Media Team and Photography Club	Session: 2023-24	Year: I,II,III,IV,V and open for other Architecture colleges
Date: 19th August 2023	Results: 31st September 2023	Forum used: Instagram and Google forms

Faculty in charge:	Prof. Tushara Kaliyath
Coordinators:	Reia Vadakkan , Yutika Tawde , Rutuja Ingle, Prachi More, Komal Patil, Sanskruiti Patil, Bhavin Bhotra and Leena Dhopawkar

On August 19, 2023, in commemoration of World Photography Day 2023, the social media team and Photography Club at PICA initiated a captivating architectural photography competition for college students. The theme, "Understanding Clouds through Lens," was chosen to celebrate the remarkable talent and passion that individuals exhibit in the field of architectural photography.

To mark this special day, Pillai College of Architecture hosted an online photography competition, which brought together architecture students from various colleges in Navi Mumbai and Mumbai. The event took place exclusively through Instagram and Google Forms. The competition was expertly supervised by Prof. Tushara Kaliyath; Social Media Head and Photography Club Head. A distinguished panel of judges, consisting of Ar. Deepshikha Jain and Ar. Mallika Keer, diligently assessed the submissions in two distinct categories: The first category was open to all architectural students, while the second category welcomed participation from ex-students, faculty members, and industry professionals. An impressive total of 228 entries were received in the student category, while the professional category garnered 13 entries. From these entries, the judges shortlisted the top 10 submissions in each category. The final winners were determined through a combination of judge-based selection for the student and professional categories and an Instagram story poll for the Popular Choice student category.

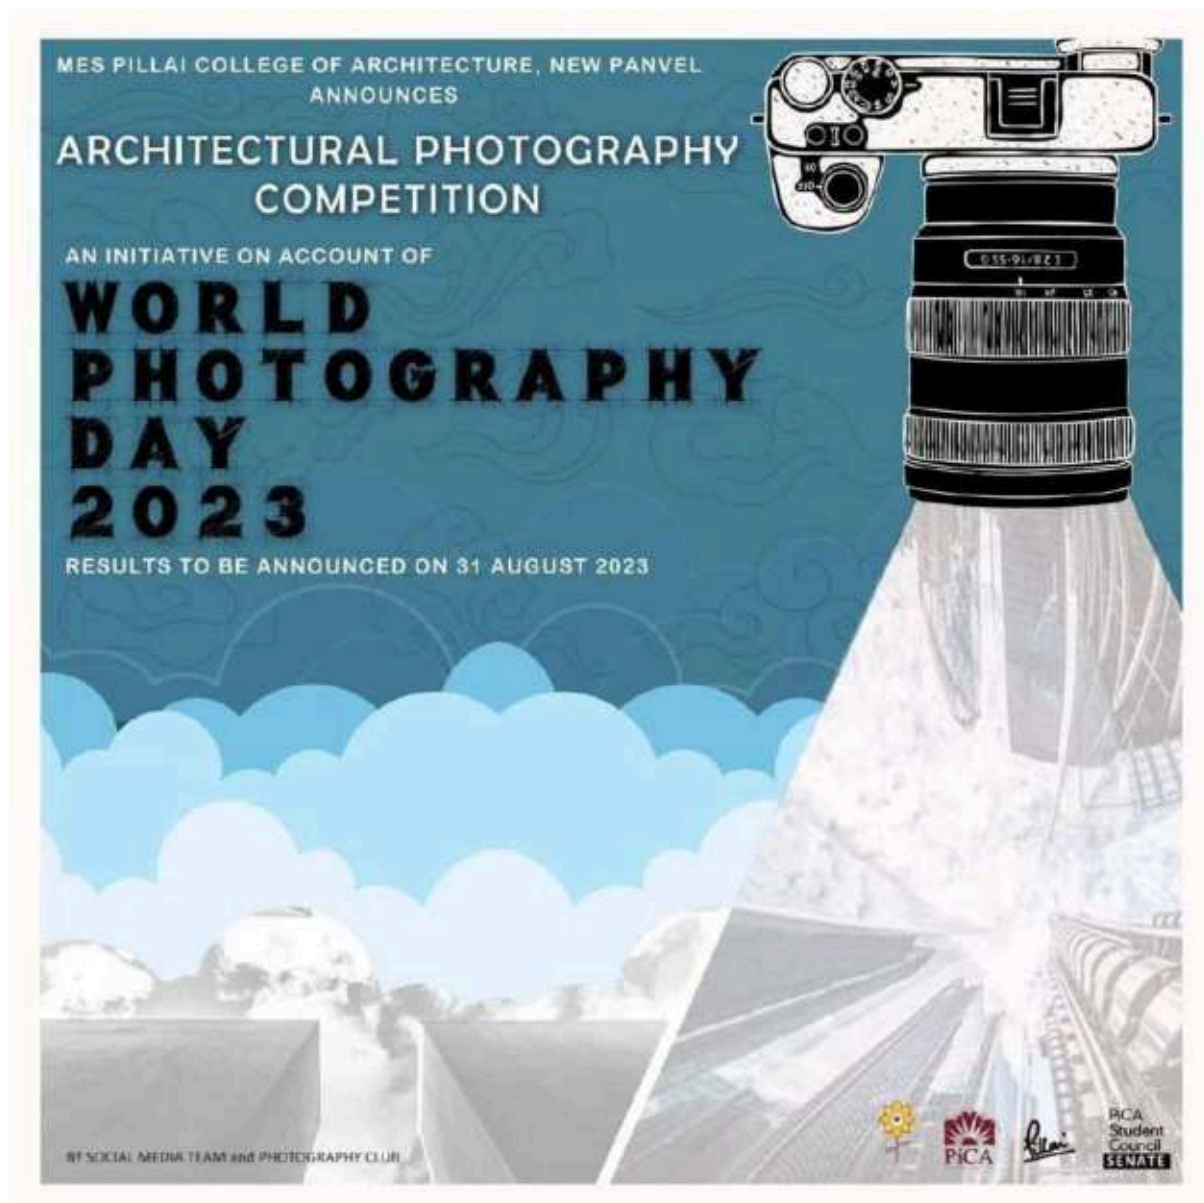

Following a thorough evaluation of each submission, the winners were announced, bringing the event to a fitting conclusion. In Category 1, the standout winners were as follows: Winner - Aniket Gupta from Bharti Vidhyapeeth College Of Architecture, Navi Mumbai; 1st

Runner-up - Yuganta Bhoir from PiCA; 2nd Runner-up - Siddhant Morye from PiCA; and Popular Choice Winner - Geeta Choudhary from PiCA.

In Category 2, designated for professionals, the victors of the Architectural Photography Competition 2023 were recognized as follows: Winner - Tushara Kaliyath, PiCA Faculty; 1st Runner-up - Ronak Majetha from PiCA, batch 2018-23; and 2nd Runner-up - Khush Goyal from PiCA, batch 2018-23.

The accomplished winners were honored by showcasing their winning submissions on PiCA's Instagram page, highlighting their outstanding contributions to the world of Architectural Photography.

picofficial92 Delighted to introduce the outstanding winners of Category 2, for professionals, in our Architectural Photography Competition 2023. We're overflowing with joy and gratitude for the overwhelming response we've received. After rigorous evaluation by our judging panel, we've unveiled the top 3 winners who epitomize the theme.

Hats off to-

- 🏆 Winner: Tushara K
- 🥈 1st Runner-up: Rohan Majethia
- 🥉 2nd Runner-up: Kush Goyal

Their awe-inspiring cloudscapes truly steal the show 🌩️

A heartfelt congratulations to them, and an additional round of applause for all the enthusiastic participants. 🙌

Rahul Mehta, Faiz Khan, Harita Nair, *MES' Pillai College of Architecture, Mumbai*

Reimagining Railway Stations as Urban Nodes

What if railway stations became all-purpose centres of services?

stations in these cities/towns as active urban nodes also adds to their multi-dimensional relationship with their surroundings and nearby neighbourhoods. With **Transit-oriented Development (TOD)** becoming an integral part of urban development, to promote public transit use, it's time to look at what possibilities railway stations hold. They could become places that amalgamate various spheres and sectors, and **fill in the gaps in the town's life, with facilities like education, healthcare, workspaces, commercial developments, etc.** They could also help uplift the economic sector in the town.

Design Problem:

This year, **designadvantage** calls for ideas that **reimagine railway stations in X, Y and Z cities** beyond being just Transit Hubs and more as **nodes of urban activity**. To reform and boost the existing spatial and visual identity of a railway station into that of an urban centre—with a mix of uses such as healthcare, commerce, education, leisure, business, entertainment and so on—reshaping the interaction of the users with the place.

Site Selection:

Participants can take up a railway station site in any of the [X, Y or Z cities](#), according to the [RLDA's scheme](#) (refer to appendices). **Sites in Y and Z cities that promote the growth of the city/town, will be encouraged even though not mandatory.** Adhere to the following parameters while choosing your site:

1. The total site area should be between 3-12 acres. If the site is of a larger size, submissions will be accepted as long as the design justifies the need for such a site.
2. Follow locally applicable bye-laws or the National Building Code in their absence. (Different cities and regions have different allowances for ground coverage, FSI, % built-up area, etc.).
3. Refer to the Manual for Standards and Specifications of Railway Stations [Vol I](#) and [Vol II](#) for standards.

Eligibility:

- Open to all undergraduate and postgraduate students of Architecture, Planning, Engineering and Design across the country.
- Anyone who is a student at the time of registration is eligible to participate, including those graduating in 2023.

Team Composition:

- A **maximum of three members** per team is permissible.
- The team may be multidisciplinary with at least one member being an architecture student.
- The members of the team can belong to the same or different academic years, colleges and courses of undergraduate or postgraduate disciplines with at least one member being an architecture student.

Submission Requirements:

1. A statement defining the programme, context and the choice of site in one A4 sheet as a pdf. Name the pdf as **<Code_Statement>**.
2. 5-7 Graphical Slides in 16:9 ratio, Landscape orientation, 200 to 300 DPI, with the design process and the drawings (plans, elevations, sections, views, area and energy calculations) depicted in a suitable graphical scale. Calculations and statements for compliance with zero energy building requirements such as Energy Rating System Index, Energy conservation code, Energy use intensity, etc. are to be included in the submission. Name the pdf as **<Code_Presentation>**.
3. Participants are encouraged to elaborate on decarbonization and calculation of other zero energy design strategies within their design and the processes that surround it.
4. A recorded presentation of under 5 minutes duration explaining the project shall be included in the submissions, to be uploaded in the submission folder/link provided. Name the recording as **<Code_Video>**.
5. A letter of declaration signed by the participant shall be included. (Format attached in the annexure of the brief). Name the file as **<Code_Letter>**.
6. Acknowledgement of references used for case studies and design ideas that have been adapted from sources are to be included in the submission. All entries shall be scrutinized for evidence of plagiarism.
7. The submissions need to clearly document the design process. It is recommended, though not mandatory, that drawings/ graphics be developed using Autodesk Revit and auxiliary Autodesk BIM tools. The sheets may include plans, sections, elevations, 3D views, joinery details, Dynamo scripts, and anything else that would help communicate the idea better.
8. Participants' names must not be mentioned anywhere, only the submission code as provided has to be mentioned on the top-right corner of the documents.
9. The Autodesk Docs link for uploading the entry will be communicated to the participants after registration for the competition closes.

Important Dates:

Registrations Open 3rd April 2023:

Registrations Close: 20th October 2023

Submissions Close: 27th October 2023

Awards:

- Cash Prizes for the top three winners:
 - **1st: ₹ 75,000/-**
 - **2nd: ₹ 50,000/-**
 - **3rd: ₹ 25,000/-**
- Top 10 entries to be published on our website.
- Top 5 winners will get free entry to Capricot BIM for Design Program (140 Hours) worth ₹ 50,000/-
- All participants who have submitted the entries will get a discount voucher of 40% on the BIM for Design Program.
- E - Certificates for all attendees of the workshop.
- E - Certificates for all participants who have submitted competition entries

Knowledge Resources:

Online Self-Learning Modules and webinars by experts in sustainability, BIM, energy simulation, building innovations will be conducted at regular

The 18th lokshabha elections were special, particularly for our youth who were turning 18. It would bring them an opportunity to make their voices heard as well as shape today's and tomorrow's politics. The ministry of education had organized a campaign "Mera pehla vote desh ke liye" from 28th February to 6th of March 2024 with the aim to ensure universal enlightened participation of youth in elections.

In view of the campaign, the Anubhuti team of Pillai college of Architecture had organized a poster making competition. The students of the first years were the youth who were to vote for the first time. The event was organized on the 12th of March 2024 in which all the first year students actively participated. Students poured their creativity on the papers in the form of colorful ideas on the importance of voting.

The main objective of the initiative was to engage and encourage young voters to come out and vote and convey the importance of voting for the larger good of the nation. The initiative symbolized the importance of elections and the pride of voting in the largest democracy in the world.

Higher Educational Institutions (HEIs) across the country were supposed to take part in the drive. Designated spaces shall be identified in universities/colleges where the voters awareness relation activities will be undertaken by respective institutions. The initiative would witness both on ground physical events and online competitions on mygov platform.

PILLAI COLLEGE OF ARCHITECTURE, NEW PANVEL		
Tour Photography Competition 2023-24		
PHOTOGRAPHY CLUB EVENT		Session: 2023-24
		Year: I,II,III
Date: 25th March 2024	Results: 1st April 2024	Forum used: Instagram and Google forms

Faculty in charge:	Prof. Tushara Kaliyath
---------------------------	-------------------------------

On the occasion of Photography Club presenting, which was conducted on 25th March 2024, the PICA social media team and the Photography Club launched a Architectural Tour Photography Competition. Through this competition, we appreciate the amazing talent and passion people share for photography.

To solemnize Tours, Pillai College of Architecture held a Tour Photography Competition by engaging Architecture students from all three Batches of PiCA that went to Tour in the academic year 23-24. It took place on the 25th March 2024 through the virtue of Instagram and google forms. The supervision was done by Prof. Tushara Kaliyath. The top 10 entries were shortlisted by our Faculties through Google Form Marking, Rating them from 1 to 5, 5 being the highest. About 60+ entries were received out of which our Faculties shortlisted 10 per category. Of which 3 winners were selected and popular choice winner was selected by voting done on an Instagram story

After carefully examining each display, the winners were announced, bringing the event to a proper conclusion. Sameer Pawar was declared the winner, followed by Kanak Bhagat as First Runner Up and Reia Vadakkan as Second Runner Up. The winners were congratulated by uploading their winning submissions on PICA's Instagram page.

PILLAI GROUP OF INSTITUTIONS

ANNUAL REPORT- SPORTS ***2023-24***

Performance is the key in winning

Move ahead with firm steps

Sports play a vital role in the holistic development of students. Educational institutions have recognized this and increasingly focus on promoting sports to foster physical health, teamwork, discipline, and leadership skills. Effective sports promotion can transform the educational experience, making it more engaging and enriching for students.

Regular physical activity through sports helps in maintaining a healthy body, reducing the risk of obesity, cardiovascular diseases, and other health issues. Sports activities can significantly improve mental health by reducing stress, anxiety, and depression. They provide an outlet for students to relax and rejuvenate. There is a positive correlation between physical activity and academic performance. Sports can enhance cognitive function, concentration, and classroom behavior.

Participating in sports helps students develop essential social skills such as teamwork, communication, and leadership. It also fosters a sense of community and belonging. Sports teach valuable life lessons like perseverance, discipline, time management, and dealing with success and failure. Strategies for Promoting Sports in Educational Institutions. Providing adequate sports facilities such as playgrounds, courts, and equipment is crucial. Safe and well-maintained infrastructure encourages students to participate in various sports activities. Incorporating sports and physical education into the curriculum ensures that all students have the opportunity to engage in regular physical activity. Schools can allocate specific times for sports in their daily schedules.

Establishing clubs and teams for different sports encourages participation beyond regular physical education classes. Schools/Colleges can organize inter-school/college and intra-school/college competitions to motivate students. Keeping its aim to promote youngsters to be stars of tomorrow we had established a Mumbai Division Super League Club named as Pillai–Salsette FC and this club provide a different platform for outstanding soccer players of Pillai with great opportunities to excel. Hiring qualified coaches for extended sports activities in schools can provide students with the necessary skills and guidance to excel in their chosen sports. Coaches can also identify and nurture talent at an early stage. Ensuring that sports programs are inclusive and accessible to all students, including those with disabilities, promotes diversity and equality in sports. Educating students and their parents about the importance of a balanced diet and proper nutrition enhances their performance and overall well-being. Engaging parents and the community in sports programs can boost participation and support. Acknowledging and rewarding achievements in sports through awards, certificates, and scholarships motivates students to excel and take pride in their accomplishments.

Over the years Mahatma Education Society is known for its extra mile approach in promoting sports in its educational institutions as it is essential for the overall development of students. In line with its proactive approach towards promoting sports at grass root level Mahatma Education Society Sports Control Board has signed an MOU with one of the renowned **Indian Women League club Mumbai Knights Football Academy**, who is also the defending champion of the Western region in women Football. And in collaboration we have started an exclusive Football academy for girls through strident selection process from MES `s Schools. There were 40 odd talented girls selected in to the academy and now they have been trained under qualified coach in professional Football. Pillai group of institutions, by implementing strategic measures and fostering a supportive environment, its institutions are ensuring sports become an integral part of the educational experience, benefiting students physically, mentally, and socially.

Our Mahatma Sports Club is successfully continuing its sports training regular after school classes in addition to its sports training programs at all its campuses. Sports discipline like Football, Athletics and swimming are getting tremendous response from the children from all the age group. There are as many as 10 special sports coaching classes are conducted by Mahatma Sports Club throughout the year.

The MES sports control board is looking forward to do more innovative initiatives in the field of sports and welcomes the academic year 2024-25 with great enthusiasm and vigor. The Mahatma Education society conveys all the best wishes to its students, sports coach's, sports trainers and mentors a successful academic year 2024-25.

Regards,

Padmakshan Padmanabhan
Director of Sports
