53.9 Kwp Solar Power Plant Invertors 25 Kwp Solar Power Plant Invertors

Solar Photovoltaic System in Pillai College

- Our campus has a total of 75 KWP Solar photovoltaic system installed on the rooftop which is Grid connected .
- Out of 75 KWP , 50 KWP was installed in the year 2010 by Moserbaer .
- The total panels used are 249 numbers , each panels with a power of 210Wp which is of Moserbaer make.
- Total Inverters used are 6 numbers each of 9000TL .
- The new panels i.e of 25 KWP was installed in the year 2017 by company called MINUS CO2 PVT LTD .
- The total panels used are 78 numbers , each panels with a power of 315 Wp which is of Vikram solar make.
- It is having a single Inverter of 25 KW of SMA make .
- Total Average Power production per day by 75 kWp is 180units.

MES Pillai's New Panvel Campus has implemented an E-waste recycling program that actively collects old motherboards, hard drives, monitors, and networking equipment on its campus. PiCA is a active part of the initiative. These electronic items are then sent to local recycling facilities for proper disposal and recycling. By conducting such a program, Pilai campus exhibits its dedication to responsible electronic waste management and environmental sustainability. This initiative plays a crucial role in minimizing the environmental impact of electronic waste and promoting a greener and cleaner campus.

3 WATER CONSERVATION

- Implementation of the rainwater harvesting system in our campus is the best approach to fight with the present scenario of water scarcity in all aspects, whether it is from a financial point of view or from optimum utilization of land surface.

- Garden and plantation around building periphery: It helps in reducing temperature and create micro climate and give rise to biodiversity in the area.

Tree Plantation Drive

- The green cover on the campus takes care of the air quality.
- The college has made arrangements for the parking of vehicles of students & staff at a separate space demarcated for the same. This helps to keep the campus clean and pollution free.
