CONSTITUTION OF RESEARCH ADVISORY COMMITTEE

To emerge as a renowned research and knowledge-driven institute through cutting-edge technology, innovation and excellence to serve society and industry, Research Advisory committee is constituted at PiCA with the following objectives:

1. To ensure quality research at B.Arch., M. Arch. and Ph.D. level-
2. To inculcate research process in Bachelor's and Master's degree students leading to fetch a good quality dissertation report and the publications.
3. To inculcate research methodology and its concepts in M.Arch. and Ph.D. students leading to a strong thesis proposal and a quality research work and publications thereafter.

Functions of RAC:

It shall oversee the formulation and conduct of programmes to encourage and inculcate good research practices.

It shall formulate procedure for all other matters concerning the supervision and evaluation of research work under all the programmes and provide suggestions to IQAC and academic monitoring committee for considerations.
